and in their personal journeys of healing they demonstrate a tenacious faith grounded in gospel truth compelling church leaders to acknowledge this hurtful hypocrisy advocate for healthy pastoral relationships and finally call perpetrators to accountability book jacket

rabbi philip lazowski 95 survived the holocaust as a child to become a rabbi in america in transforming darkness into light he recounts the stories of his survival in the face of virulent antisemitism reflecting on his life he develops eight profound lessons drawn from decades of fighting hate and building bridges to peace

the award nominated stories in this collection will bring memories of the future flooding back two new stories and all new afterwords enliven the past with a touch of the present and that which is yet to come you don t need a collection of antique spaceships or a carefully calibrated time machine to share the memories of the final holocaust survivor you don t have to jump

through the gate between universes in search of a lost friend all you have to do is open your eyes you ll remember the future the future remembers you

ruth linden s bold experimental book explores the interconnected processes of remembering storytelling and self fashioning juxtaposing autobiography and ethnography linden begins this study by situating herself in the context of her assimilated jewish family where the holocaust was shrouded in silences urged forward by these silences linden a feminist and sociologist began to interview jewish holocaust survivors in 1983 as linden interprets survivors accounts of the death camps and the resistance she reveals complex ways in which selves are constructed through storytelling the stories that unfold are continuously fashioned and refashioned never stripped of context or frozen in time what emerges is an unexpectedly elegant montage in which interviewee interviewer and author are intertwined linden s meetings with survivors and her encounters with their stories transformed her as a feminist a jew and a social scientist her analysis reveals the intimate connections between an ethnographer s lived experience and her interpretations of others linden s reflections on the process of ethnography belie the rhetoric of positivism in the social sciences they will inspire other scholars to break free of research and writing practices in their own disciplines that efface the ineluctable bond between knower and known all readers will be challenged to reexamine the holocaust in an intensely personal light and to reconsider the meanings of survival in our own time cutting across the boundaries of ethnography and autobiography to create a new kind of text making stories making selves offers a significant contribution to interpretive social science and the literature of the holocaust linden s original and courageous work is vital reading for holocaust scholars students of modern jewish life sociologists feminist theorists and all readers seeking to understand their own relationship to the holocaust

the ritual abuse of children is the most controversial issue in the child maltreatment field but much of what has been written about ritual abuse over the past twenty years is in the form of unpublished and endlessly reproduced stuff a curious mixture of conjecture folkloric and pop culture representations of satanism devil worship occultism and witchcraft and christian fundamentalist images of premillennarian evil what remains after this stuff is excluded is an intriguing body of international literature that seriously examines the controversy this annotated bibliography dissects the literature objectively and thoroughly annotates published articles books and reports legal opinions and occasionally thought provoking newspaper and magazine articles chapters deal with the definition of ritual abuse ritual abuse cases in the united states cases in american families and neighborhoods cases in canada europe and australasia clinical

features of ritual abuse in children and adults the controversy's impact on professionals and systems the controversy and american law ritual abuse reports and narratives and anthropological folkloric and sociological perspectives

the topic of memory has moved to prominence in recent years this is partly due to a spate of anniversaries and commemorations of events such as the holocaust and the second world war whose significance for the present is affirmed even as their meanings continue to be debated

memoirs based on interviews held by a psychotherapist with six women who lived in nazi germany or who survived the holocaust as children in theresienstadt or auschwitz discussing how these experiences continue to affect them notes that they continued to suffer from antisemitism and rejection after the war while adult survivors rejected them as being too young to remember
