do we need this book my aunt nearly 90 years old at the death of her youngest sister tearfully asked the presiding minister but where is my sister in the earth or in heaven both she and her sister were raised to be very faithful christians in the church this uncertainty only exemplifies the great need for this book kenneth h pollard elder thomaston road church of christ

death and the afterlife completes the pilgrim library of world religions series here four fundamental questions are posed to five religious traditions hinduism buddhism judaism christianity and islam why does one die how should one die what happens after death how do resurrection and reincarnation fit with this tradition the

answers from acknowledged experts in these religions not only give insight into the beliefs and traditions of these faiths but also help readers to pick out the similarities and differences among them while written for college level introductory religious studies courses this volume is also well suited to anyone interested in religion

a cross cultural look at beliefs surrounding death burial customs and the afterlife

reissue of the legendary 3 500 year old papyrus of ani the most beautiful of the ornately illustrated egyptian funerary scrolls ever discovered restored in its original sequences of text and artwork

experiencing the afterlife provides the first sustained analysis of popular vernacular depictions of the afterlife written in italy before the divine comedy by authors such as uguccione da lodi giacomo da verona and bonvesin da la riva manuele gragnolati uses his readings of these poets to provide a new interpretation of dante s work combining elements from several disciplines he investigates the richness of high medieval eschatology and the concept of personal identity it expresses gragnolati is particularly concerned with how the notions of body and pain characteristic of medieval spirituality and devotion inform the eschatological representations of the time especially in their paradoxical urge to stress at once the physical experience of the separated soul and the final necessity of bodily resurrection by integrating lesser known texts and scholarship from other disciplines into the specialized field of dante studies gragnolati sheds new light on some of the most vigorously debated and crucial questions raised by the divine comedy including the embryological discourse of purgatorio 25 the relation between the soul s experience of pain in purgatory and the devotion that late medieval culture expressed toward christ s suffering and the significance of the audacious vision of resurrected bodies that dante the pilgrim enjoys at the end of his journey at the same time gragnolati brings these questions back into contemporary discussions of medieval eschatology and opens new perspectives for current and future work on embodiment and identity scholars and students of dante and italian studies as well as those in medieval history religion culture and art history will be rewarded by the fresh insights contained in experiencing the afterlife

how do people in japan conceive of life after death although many japanese today claim that on their archipelago there has never been much interest in this topic the evidence presented here shows otherwise documenting a rich range of historical as well as contemporary scenarios that present life as going on after death these essays also show individuals and whole communities acting on the belief that the line between the living and the dead is porous and that it makes sense even now to practice the life one will have after becoming dead they thus not only bring forward aspects of japan obscured until now but also can contribute to our own

current discussions of life dying and death
