during his ministry which included extended pastorates in chicago and toronto dr tozer was often referred to as a prophet that doesn't mean he predicted future events but rather spoke god's truth to believers and the culture even if it meant disrupting the status quo even in the bible prophets were much more likely to hold god's people and their leaders accountable to the truth of god's word than they were to foretell the future the encouragement in voice of a prophet is that the church today is in desperate need of the kind of prophet tozer embodied and describes in this important new book using the lives of such prophets as elijah elisha and john the baptist tozer underscores the importance of the ministry of the prophet in today's church

a prophet prophetess are rarely heard of in this 21 century but they are still active in ministry today there will be some radicals theologians whom say that prophets no longer exist because they no longer believe in gifts and the five fold ministry jesus practiced the five fold ministry for the edifying of the saints we will share with our readers the purpose of a prophet why they are sent out and how effective they are to the body of christ the author has more than 15 years of experience of speaking the word of god too many churches prophets are quite distinctive and have an unusual calling to the nations prophets bring correction and reproof by the voice and will of god

my purpose in writing this book is more than just sharing my journey and call to be a prophet trained by the holy spirit to operate in this gift it is even more than sharing with others god may want to accelerate into the gift's operation my strongest desire is to demystify the functioning of the prophetic gift and calling my journey has been without mentorship and the preparation long i believe others should have these lessons imparted to them so they may be nurtured and brought into their fullness of their calling for the sake of the body of christ coming into full maturity and the stature of christ ephesians 4:13 it is my hope that this book will assist those who desire the gift of prophecy and those who are certain god has called them as prophets it is my firm conviction that the church cannot mature and experience the full measure of christ until we release all five ministry gifts into the body this work is dedicated to the prophets called of god to train

and equip the children of god s kingdom to function in the realms of revelation we must learn how to decipher and understand revelation discern god s intent and will and train our senses
