featuring some of the most important contemporary tattoo artists who are making cutting edge graphics typography and customized artistic masterpieces tatt book visionaries of tattoo is a unique collection of the designs of the most creative contemporary tattoo artists from around the world these contemporary tattooists are first and foremost artists creating tattoo designs inked on the human body as well as works for galleries and personal collections curated by the renowned artist jk5 and including work from over twenty distinguished artists such as stephanie tamez mike giant and scott harrison tatt book explores the intricate customized body art and also the artwork these inking geniuses do outside the tattoo studio this will be an indispensable reference catalogue for type forms illustration fine art and design in a time where tattoos are a mark of personal creativity and individuality

over 500 vintage photographs display hundreds of people decorated with thousands of tattoos from the 1800s through the 1980s including images of love military religious exotic parlor and tribal markings sailor boys circus performers and lovely daring women show off their collections

say body modifications and most people think of tattoos and piercings they associate these mainly with the urban primitives of the 1980s to today and with primitive tribes in fact as this fascinating book shows body mods have been on the scene since ancient times traceable as far back as 1.5 million years and they also encompass sacrifice branding and implants professor john rush outlines the processes and procedures of these radical physical alterations showing their function as rites of passage group identifiers and mechanisms of social control he explores the use of pain for spiritual purposes such as purging sin and guilt and examines the phenomenon of accidental cuts and punctures as individual events with sometimes profound implications for group survival spiritual tattoo finds a remarkable consistency in body modifications from prehistory to the present suggesting the importance of the body as a sacred geography from both social and psychological points of view

a collection of original artwork features more than five hundred body art designs

following his confessions of a tattoo addict a toronto medical illustrator and tattoo artist presents 21 eclectic narratives on tattooing in diverse eras and cultures from ancient

polynesia to modern western punk the numerous bandw and color depictions of illustrated men and women are fascinating annotation copyrighted by book news inc portland or

this captivating book offers readers a wider perspective and deeper appreciation for the art of tattooing than what s typically shown in the media for those considering getting a tattoo this will perhaps inform their decision the book covers the history of tattooing traveling from ancient egypt rome and greece to asia the middle east europe and the united states it explains the historical reasons for tattooing it then goes on to investigate current tattoo trends including calligraphy and the fusion of cultural designs

a celebration of all things ink packed with fascinating facts history quotes and designs

the human desire to adorn the body is universal and timeless while specific forms of body decoration and the motivations for them vary by region culture and era all human societies have engaged in practices designed to augment and enhance people s natural appearance tattooing the process of inserting pigment into the skin to create permanent designs and patterns is one of the most widespread forms of body art and was practiced by ancient cultures throughout the world with tattoos appearing on human mummies by 3200 bce ancient ink the first book dedicated to the archaeological study of tattooing presents new globe spanning research examining tattooed human remains tattoo tools and ancient art connecting ancient body art traditions to modern culture through indigenous communities and the work of contemporary tattoo artists the volume s contributors reveal the antiquity durability and significance of body decoration illuminating how different societies have used their skin to construct their identities

the tattoo history source book is an exhaustingly thorough lavishly illustrated collection of historical records of tattooing throughout the world from ancient times to the present collected together in one place for the first time are texts by explorers journalists physicians psychiatrists anthropologists scholars novelists criminologists and tattoo artists a brief essay by gilbert sets each chapter in an historical context topics covered include the first written records of tattooing by greek and roman authors the dispersal of tattoo designs and techniques throughout polynesia the discovery of polynesian tattooing by european explorers japanese tattooing the first 19th century european and american tattoo artists tattooed british royalty the invention of the tattooing machine and tattooing in the circus the anthology concludes with essays by four prominent contemporary tattoo artists tricia allen chuck eldridge lyle tuttle and don ed hardy the references at the end of each section will provide an introduction to the

extensive literature that has been inspired by the ancient but neglected art of tattooing because of its broad historical context the tattoo history source book will be of interest to the general reader as well as art historians tattoo fans neurasthenics hebephrenics and cyclothemics

this book contains 25 years of professional tattooing experience erick alayon has been tattoo professionally since 1988 no other tattooing instruction author can say that this new volume contains erick alayon s three previous best selling tattooing books plus a whole lot more most of erick s famous or infamous typos have been corrected old info has been updated and new info has been added along with many additional explanations and insights new topics include photography frame geometry sterilization and more while no book on tattooing is truly complete this book has to be the most comprehensive one to date the complete craft of tattooing will be a great addition to your tattoo library notice the sanitary guidelines explained in this book are in compliance with suffolk county ny dept of health procedures at the time of writing please check with your local and state dept of health office for guidelines specific to your area

despite the social sciences growing fascination with tattooing and the immense popularity of tattoos themselves the practice has not left much of a historical record and until very recently there was no good context for writing a serious history of tattooing in the west this collection exposes for the first time the richness of the tattoo s european and american history from antiquity to the present day in the process it rescues tattoos from their stereotypical and sensationalized association with criminality the tattoo has long hovered in a space between the cosmetic and the punitive throughout its history the status of the tattoo has been complicated by its dual association with slavery and penal practices on the one hand and exotic or forbidden sexuality on the other the tattoo appears often as an involuntary stigma sometimes as a self imposed marker of identity and occasionally as a beautiful corporal decoration this volume analyzes the tattoo s fluctuating often uncomfortable position from multiple angles individual chapters explore fascinating segments of its history from the metaphorical meanings of tattooing in celtic society to the class related commodification of the body in victorian britain from tattooed entertainers in germany to tattooing and piercing as self expression in the contemporary united states but they also accumulate to form an expansive textured view of permanent bodily modification in the west by combining empirical history powerful cultural analysis and a highly readable style this volume both draws on and propels the ongoing effort to write a meaningful cultural history of the body the contributors representing several disciplines have all conducted extensive original research into the western tattoo together they have produced an unrivalled account of its history they are in addition to the editor clare anderson susan benson james bradley ian
