this book is unique as the only book on the portuguese parliament in english the portuguese parliament is a valuable case study to understand the different stages of development of a newly democratic parliament from legislation to legitimation shows that as democracy developed the role of the portuguese parliament changed considerably whereas in the first years of democracy the assembleia da republica was centred on its legislative role during the

Kindle And I  
~~second decade its legitimization role expanded making scrutiny parliament's main function~~

the routledge handbook of parliamentary administrations brings together an international multidisciplinary group of contributors providing a systematic and comprehensive analysis of parliamentary administrations including chapters on the administrations of national parliaments in every member state of the european union in most of the eu candidate countries and in key liberal democracies around the world this book represents a uniquely broad ranging resource each national system is treated in a consistent manner with authors providing relevant facts figures and critical analysis according to a common framework additionally it provides coverage of transnational parliamentary administrations in different regions around the globe and includes a number of cross cutting chapters addressing key issues of relevance for a better understanding of parliamentary administrations such as the potential for politicisation professionalisation digitalisation or europeanisation with the comparative analysis of different national experiences this handbook will enable readers to better comprehend the role and influence of parliamentary administrations and in doing so will enhance our understanding of their importance for the effective functioning of representative democracy more generally the routledge handbook of parliamentary administrations constitutes a unique tool and prime reference for any researcher scholar or practitioner working in the area of parliamentary and legislative studies governance democracy public policy and administration as well as more widely to european studies general political science and comparative politics chapters 1 2 and 4 of this book are freely available as downloadable open access pdfs at taylorfrancis com under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license

the book is a study of the cooperation of brazil and india on renewable energy it is based on a research project on the energy sector of both the countries it discusses the agreements in the energy sector between the two countries and the renewable energy policies developed in four decades a scientific and technological mapping a brief study of competitiveness and a primary

Kindle And I  
~~research were carried out in order to find out the weaknesses and the opportunities for~~  
cooperation in renewable energies this publication will undoubtedly provoke the reader to reflect on the importance of cooperation given the growing protectionism not only in terms of energy security but also in terms of investments in new technologies considering energy transition scenario for brazil and india intensifying the dialogue is more than a strategy of visibility and the search for greater space in worldwide geopolitics

this book reexamines the politics of austerity during the euro crisis challenging conventional narratives of austerity as either an inevitable economic remedy or an external imposition focusing on greece portugal and spain it demonstrates that austerity was a political project shaped and contested across domestic international and transnational levels drawing on extensive empirical material the book explores how austerity policies were legitimated in southern europe and how they evolved throughout the crisis it analyses the construction of crisis narratives and the critical role of national actors in rooting the crisis in domestic failure it examines the implementation of austerity policies revealing how they were justified but also malleable and contingent upon political work and it shows how austerity was opposed by an increasingly transnational social movement the book offers critical insights into the politics of crisis management and the contested legacy of austerity in contemporary debates on how to govern the european economy

with which are incorporated the china directory and the hongkong directory and hong list for the far east
