in this accessible study stephen humphreys introduces the most elusive of the early caliphs mu awiya ibn abi sufyan 602 680 notoriously guarded about his thoughts motives and emotions mu awiya was universally known as a figure of immense political acumen beyond this opinions are deeply divided throughout history some have accused him of being the first caliph to diverge from muhammed s model of ideal muslim leadership whilst others credit him with uniting an empire in disarray and transforming the caliphate into a practicable form of government in light of this humphreys critically analyses his sources and seeks to get as close as possible to a historical account of the great man

after the control and constant conflict between the roman empire and the persian empire that lasted for hundreds of years new powers rose on the land of the middle east this power was able in a very short time to control many lands of the persian state and also the roman state to the point that the new power was able to completely eliminate the persian empire indeed the new state that the prophet muhammad founded from medina was able to expand and rise to the point that it extended from spain in the west to the borders of china in the east the foundations that the prophet muhammad laid and the rules on which the state was built which were initially based on a religious basis but with time the muslim caliphs did not adhere to this matter and as a result of the control of these caliphs over the land that was under the control of the persians and romans the muslim caliphs began to imitate these princes and rulers whether in the way of dress or even living in palaces and indulging in a life of amusement and luxury which led with time to the loss of some of the values that the muslim caliphs inherited from the prophet muhammad and began to replace it with the love of money and power to the point that some muslim rulers reached the point of causing sedition and conflicts between some rulers for the sake of power and this made the islamic countries enter into long periods of wars conflicts and strikes as a result of the conflict between muslim rulers over power and we will review in this book the most prominent periods of conflicts and wars between muslim rulers throughout the islamic ages

the saga of karbala did not end with the martyrdom of hussain nor did his mission his death was the initiation of a long ordeal faced by the family of imam hussain a s during this ordeal it was the timeless sermons of bibi zainab and the fourth imam sajjad a s which truly pierced the hardened hearts of the people sparked a revolution and introduced change the sermon of lady zaynab and the sermon of imam zaynu l Ābidīn complement one another zaynab s sermon formed the tabarra dimension and imam zaynu l Ābidīn s sermon formed the tawalla dimension the former exposed the real identity of the oppressors while the latter introduced the true pure image of the prophet s family

in a time when we are short on role models and often forced to look beyond the muslim community for inspiration and heroes we cannot forget the exemplary lives of the sahaba this special group was hand picked by allah and raised by the prophet sa to imbue the message and carry it one to their successors the stories of their extraordinary lives have been capsuled in this first part of a three part collection which touches on every aspect of their inspiring lives reveals their humanness and how they dreamed and breathed like us the one outstanding difference was that their hearts beat with the love of allah and his prophet sa which empowered them to overcome every struggle and live free of idolizing any culture nation or ideology like the prophet sa said if one of you gives equal to mount uhud in charity it would not equal to one mudd or even half a mudd they gave in charity bukhari in essence they lived of by and for allah only this modern translation of the first volume of hayat al sahaba is the first of its kind on the market in reflowable ebook format with a comprehensive commentary that provides relevance and extracts valuable lessons for our times the volume begins with a detailed description of the prophet s sa physical characteristics how the work of da wah started and how the sahaba carried it out in their era the hayat al sahaba series has inspired millions to understand islam beyond concept theory and interpretations it immerses us into the reality of living islam past present and future and that we can all be shaded by the mercy of allah despite our differences like the sahaba who all achieved the pleasure of allah despite their many differences translator shaykh asim ahmad has many years of experience in translating classical works from urdu arabic into english his translations preserve the originality of a work while keeping the natural flow that allows the reader to enjoy the translation as if they were reading the original he is also the author of the bestselling haj and umra the epic journey
