considers how comics display our everyday stuff junk drawers bookshelves attics as a way into understanding how we represent ourselves now for most of their history comics were widely understood as disposable you read them and discarded them and the pulp paper they were printed on decomposed over time today comic books have been rebranded as graphic novels clothbound high gloss volumes that can be purchased in bookstores checked out of libraries and displayed proudly on bookshelves they are reviewed by serious critics and studied in university classrooms a medium once considered trash has been transformed into a respectable if not elite genre while the american comics of the past were about hyperbolic battles between good and evil most of today s graphic novels focus on everyday personal experiences contemporary culture is awash with stuff they give vivid expression to a culture preoccupied with the processes of circulation and appraisal

accumulation and possession by design comics encourage the reader to scan the landscape to pay attention to the physical objects that fill our lives and constitute our familiar surroundings because comics take place in a completely fabricated world everything is there intentionally comics are stuff comics tell stories about stuff and they display stuff when we use the phrase and stuff in everyday speech we often mean something vague something like etcetera in this book stuff refers not only to physical objects but also to the emotions sentimental attachments and nostalgic longings that we express or hold at bay through our relationships with stuff in comics and stuff his first solo authored book in over a decade pioneering media scholar henry jenkins moves through anthropology material culture literary criticism and art history to resituate comics in the cultural landscape through over one hundred full color illustrations using close readings of contemporary graphic novels jenkins explores how comics depict stuff and exposes the central role that stuff plays in how we curate our identities sustain memory and make meaning comics and stuff presents an innovative new way of thinking about comics and graphic novels that will change how we think about our stuff and ourselves

the other end of the needle demonstrates that tattooing is more complex than simply the tattoos that people wear using qualitative data and an accessible writing style sociologist dave lane explains the complexity of tattoo work as a type of social activity his central argument is that tattooing is a social world where people must be socialized manage a system of stratification create spaces conducive for labor develop sets of beliefs and values struggle to retain control over their tools and contend with changes that in turn affect their labor earlier research has examined tattoos and their meanings yet lane notes prior research has focused almost exclusively on the tattoos the outcome of an intricate social process and have ignored the significance of tattoo workers themselves tattooists as lane dubs them make decisions but they work within a social world that constrains and shapes the outcome of their labor the tattoo the goal of this book is to help readers understand the world of tattoo work as an intricate and nuanced form of work lane ultimately asks new questions about the social processes occurring prior to the tattoo's existence
