a new translation from the french by marion wiesel night is elie wiesel s masterpiece a candid horrific and deeply poignant autobiographical account of his survival as a teenager in the nazi death camps this new translation by marion wiesel elie s wife and frequent translator presents this seminal memoir in the language and spirit truest to the author s original intent and in a substantive new preface elie reflects on the enduring importance of night and his lifelong passionate dedication to ensuring that the world never forgets man s capacity for inhumanity to man night offers much more than a litany of the daily terrors everyday perversions and rampant sadism at auschwitz and buchenwald it also eloquently addresses many of the philosophical as well

as personal questions implicit in any serious consideration of what the holocaust was what it meant and what its legacy is and will be

discusses the characters plot and writing of night by elie wiesel includes critical essays on the novel and a brief biography of the author

i died at auschwitz french writer charlotte delbo asserts and nobody knows it möbian nights reading literature and darkness develops a new understanding of literary reading that in the wake of disasters like the holocaust death remains a premise of our experience rather than a future challenging customary aesthetic assumptions that we write in order not to die sandor goodhart suggests with kafka we write to die drawing upon analyses developed by girard foucault blanchot and levinas along with examples from homer to beckett möbian nights proposes that all literature works autobiographically which is to say in the wake of disaster with the credo i died therefore i am and for which the language of topology for example the möbius strip offers a vocabulary for naming the deep structure of such literary critical and scriptural sacrificial and anti sacrificial dynamics

featuring a selection from over 80 key texts this anthology aims to help the reader to understand the common origins of religious expression and of literature the texts included cover classical literature the bible english and european classics and contemporary works

a woman chronicles the death of her infant son and her subsequent painful struggle to overcome the tragedy which led to reconciliation and healing by the author of safe passage original

the failures of ethics concentrates on the multiple shortfalls and shortcomings of thought decision and action that tempt and incite us human beings to inflict incalculable harm absent the overriding of moral sensibilities if not the collapse or collaboration of ethical traditions the holocaust genocide and other mass atrocities could not have happened our senses of moral and religious authority have been fragmented and weakened by the accumulated ruins of history and the depersonalized advances

of civilization that have taken us from a bloody twentieth century into an immensely problematic twenty first salvaging the fragmented condition of ethics this book shows how respect and honor for those who save lives and resist atrocity deepened attention to the dead and to death itself and appeals for human rights and renewed spiritual sensitivity confirm that ethics contains and remains an irreplaceable safeguard against its own failures

sources of holocaust insight maps the odyssey of an american christian philosopher who has studied written and taught about the holocaust for more than fifty years what findings result from john roth s journey what moods pervade it how have events and experiences scholars and students texts and testimonies especially the questions they raise affected roth s holocaust studies and guided his efforts to heed the biblical proverb whatever else you get get insight more sources than roth can acknowledge have informed his encounters with the holocaust but particular persons among them elie wiesel raul hilberg primo levi and albert camus loom especially large revisiting roth s sources of holocaust insight this book does so not only to pay tribute to them but also to show how the ethical philosophical and religious reverberations of the holocaust confer and encourage responsibility for human well being in the twenty first century seeing differently seeing better sound learning and teaching about the holocaust aim for what may be the most important holocaust insight of all take nothing good for granted

an important work on the holocaust by a concentration camp survivor

french novels such as madame bovary and the stranger are staples of high school and college literature courses this work provides coverage of the french novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in french culture and civilization

in this new edition what was already an expansive work has been updated and further enlarged to include information not only on american and british novelists but also on writers in english from around the world

these classic and contemporary essays explore the broad range of structural and social contexts of death they cover issues including the psychology sociology and ethics of death and dying

ellen fine s book is full of original insights beautifully written and structured i could not put it down it is a very important study rosette lamont queens college and graduate school city university of new york by treating wiesel s novels as literary spiritual stages in the development of wiesel s larger experience as a survivor witness writer dr fine s book takes on an inherently dramatic character which makes it alive and exciting as well as instructive terrence des pres colgate university fine clarifies wiesel s intentions especially illuminating the complex variations on the themes of speech and silence fathers and sons escape and return in short the ideas around which wiesel organizes his literary universe no one has done this before so thoroughly lawrence langer simmons college

holocaust narratives trauma memory and identity across generations analyzes individual multi generational frameworks of holocaust trauma to answer one essential question how do these narratives change to not only transmit the trauma of the holocaust and in the process add meaning to what is inherently an event that annihilates meaning but also construct the trauma as a connector to a past that needs to be continued in the present meaningless or not unspeakable or not unknowable or not the trauma in all its impossibilities and intractabilities spawns literary and scholarly engagement on a large scale narrative is the key connector that structures trauma for both individual and collective
