a comprehensive overview of contemporary italian pedagogy from an international perspective blends empirical research with practical strategies for teachers in recent years teachers of italian like most world languages have faced many changes to the teaching and learning landscape including new teaching mediums different expectations for enrollments and a vivid awareness of social issues in the classroom

teachers must now navigate effective language teaching practices and integrate important new topics and approaches the art of teaching italian brings together experts from around the world in italian language pedagogy applied linguistics and second language acquisition to address the field s most pressing concerns and challenges with examples from creative teaching featuring contributions on a wide range of topics including dei issues remote learning and experiential learning this edited volume blends empirical research with practical strategies and recommendations for teachers centering the teaching of secondary and post secondary italian language and culture the art of teaching italian shows that it is possible to enhance italian language learning through creativity and ingenuity and to lead students to intercultural competence a crucial skill in a globalized world

this book theorizes the baroque as neither a time period nor an artistic style but as a collection of bodily practices developed from clashes between governmental discipline and artistic excess moving between the dramaturgy of jesuit spiritual exercises the political theatre making of angelo beolco aka ruzzante and the civic governance of the venetian republic at a time of great tumult the manuscript assembles plays seldom read or viewed by english speaking audiences archival materials from three venetian archives and several secondary sources on baroque renaissance and early modern epistemology in order to forward an argument for understanding the baroque as a gathering of social practices such a rethinking of the baroque aims to complement the already lively studies of neo baroque aesthetics and ethics emerging in contemporary scholarship on for example latin american political art

guido ruggiero brings readers back to renaissance florence capturing how the decameron sounded to fourteenth century ears giovanni boccaccio s masterpiece of love sex loyalty and betrayal resonated amid the black death and the era s convulsive political change reimagining truth and virtue in a moment both desperate and full of potential

older research on the premodern world limited its focus on the church the court and more recently on urban space the present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical

approaches while previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city the experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates the present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works in a surprisingly large number of cases we can even discover elements of utopia hidden in rural space we also observe how much the rural world was a significant element already in early medieval mentality moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic

completely coordinated with the sentieri textbook the workbook and lab manual for sentieri provides additional practice of the vocabulary and grammar presented in each of the textbooks twelve units the workbook will help build reading and writing skills in italian the lab manual activities are designed for use with the sentieri lab program mp3s on the sentieri website they will help build listening and speaking skills in italian the video manual activities will guide you through the video modules it contains previewing activities while viewing activities and post viewing activities p v vi

lists articles notes and similar literature on medieval subjects in journals festschriften conference proceedings and collected essays covers all aspects of medieval studies within the date range of 450 to 1500 for the entire continent of europe the middle east and north africa for the period before the muslim conquest and parts of those areas subsequently controlled by christian powers
