no other single force in vietnam put as much fear into the hearts of the enemy nor gained his respect more then the american snipers this is a story about one such marine sniper team in 1964 65 delta two foxtrot who helped blazed the trail gave their best who hunted the enemy in its own back yard took out assigned targets without the viet cong knowing they were present who was feared hated and yet respected by the viet cong the sniper team was hunted and chased for days and used every trick they knew to get back to base alive some teams made it back and still some brave heroes didn t semper fi

litigator teacher and scholar stephen kohn presents a comprehensive unified examination of the 35 federal laws that protect whistleblowers and their rights plus the common law protections available in each of the 50 states for the first time in one easily accessed volume readers will find the basic principles upon which all whistleblower law is premised mr kohn lays out the basic legal principles applicable to almost every whistleblower case such as the scope of protected activity and who qualifies for protection he shows what constitutes discriminatory conduct what type of evidence demonstrates that improper retaliation occurred the burdens of proof on both the employee and employer how to calculate damages and attorney fees common settlement and fundamental procedural issues and much more all in meticulously documented detail and a readable engaging style built upon mr kohn s extensive practical experience and his scholarly research and teaching not only is the book an essential resource for study and analysis of whistleblowing issues but it is also a step by step guide for conceptualizing and litigating them attorneys with specialties in a wide range of fields involving whistleblower law and related policy issues will find a thoughtful comprehensive examination and an immediately applicable courtroom aid it will also be important for human resource executives labor union officers and attorneys government contractors and recipients of government grants university and government libraries federal agency executives and specialists public interest and good government organizations and many others who have become fascinated by this relatively new but long time coming branch of the law how it developed and how it is being applied today

the vietnam war and australia s part in it was a major military event calling for willingness to face death and destruction on the battlefield on the part of those sent

there especially the men of our infantry battalions who formed the spearhead of our forces in vietnam for many reasons the australian public know relatively little about what our army did in vietnam during the war particularly during the years of our peak commitment 1965 72 this book attempts to make the true nature of the war clearer to readers emphasising how hard fought it was during major operations twenty seven of the contributing authors of this book were involved in the 1966 deployment of the 1st australian task force into phuoc tuy province this formation was the first australian army force larger than an infantry battalion group to be deployed into a major war since world war ii 5th battalion the royal australian regiment 5 rar was in the vanguard as the task force s first element committed to operations to seize and occupy nui dat base and embark on establishing dominance over the enemy the narratives presented in this book give rare insights into thoughts of the soldiers at the time and how they have come to view the australian government s hurried expansion of its initial commitment to that war the army s state of preparedness for that wider involvement and how those in its forefront adapted to get the job done both in and out of operations despite numerous shortcomings in higher level planning both professional soldiers and conscripted national servicemen have contributed viewpoints to these pages

a crown woven together by lies a kingdom with the power to unravel them the bestselling epic fantasy trilogy kingdom of the white sea in a single collection when the cruel usurper king demands the firstborn daughters from every lordship in the realm the lords and ladies have no choice but to obey or invite war the four young women though have their own plan one that will send the realm into a chaos that will change the lives and futures of everyone in it this collection includes all three books in the trilogy and over half a million words of treachery bravery and redemption the kingless crown 610 pages the broken realm 690 pages the hidden kingdom 736 pages this is the new series game of thrones fans have been waiting for melanie melanie s muses a riveting tale of suspense secrets and magic you won t want to put down international bestselling author rebecca l garcia one word phenomenal a must read completely sucked me in from page one 10 10 aubrie nixon fantasy author of secret of souls the first of an epic series that will no doubt have a cult following simply superb award winning author julianne lynch cradit has no doubt established herself in the epic fantasy genre with this novel i cannot wait to return to the kingdom of the white sea i m hooked greg wilkey bestselling author
