tired of swimming with the sharks fed up with that big ape down the hall real animals can teach us better ways to thrive in the workplace jungle you're ambitious and want to get ahead but what's the best way to do it become the biggest baddest predator the proverbial 800 pound gorilla or does nature teach you to be more subtle and sophisticated richard conniff the acclaimed author of the natural history of the rich has survived savage beasts in the workplace jungle where he hooted and preened in the corner office as a publishing executive he's also spent time studying how animals operate in the real jungles of the amazon and the african bush what he shows in the ape in the corner office is that nature built you to be nice doing favors grooming coworkers with kind words building coalitions these tools for getting ahead come straight from the jungle the stereotypical darwinian hard charger supposedly thinks only about accumulating resources but highly effective apes know it's often smarter to give them away that doesn't mean it's a peaceable kingdom out there however conniff shows that you can become more effective by understanding how other species negotiate the tricky

balance between conflict and cooperation conniff quotes one biologist on a chimpanzee's obsession with rank his attempts to maintain and achieve alpha status are cunning persistent energetic and time consuming they affect whom he travels with whom he grooms where he glances how often he scratches where he goes what times he gets up in the morning sound familiar it's the same behavior you can find written up in any issue of businessweek or the wall street journal the ape in the corner office connects with the day to day of the workplace because it helps explain what people are really concerned about how come he got the wing chair with the gold trim how can i survive as that big ape's subordinate without becoming a spineless yes man why does being a lone wolf mean being a loser and yes why is it that jerks seem to prosper at least in the short run also available as a random house audiobook and an ebook

now you can get the wisdom of one full year of consumer reports in one place we've assembled all twelve 2006 issues of consumer reports magazine and put them in a single bound collection consumer reports magazine is the source you can trust for ratings and recommendations of consumer products and services whether you're buying a car a tv or a new cell phone plan our unbiased reports will help you get the best value for your money
