apart from mifid the alternative investment fund managers directive aifmd may be the most important european asset management regulation of the early twenty first century in this in depth analytical and critical discussion of the content and system of the directive thirty eight contributing authors academics lawyers consultants fund supervisors and fund industry experts examine the aifmd from every angle they cover structure regulatory history scope appointment and authorization of the manager the requirements for depositaries and prime brokers rules on delegation reporting requirements transitional provisions and the objectives stipulated in the recitals and other official documents the challenging implications and contexts they examine include the following connection with systemic risk and the financial crisis nexus with insurance for negligent conduct connection with corporate

governance doctrine risk management transparency the cross border dimension liability for lost assets impact on alternative investment strategies and the nexus with the european regulation on long term investment funds eltifr nine country reports representing most of europe s financial centres and fund markets add a national perspective to the discussion of the european regulation these chapters deal with the potential interactions among the aifmd and the relevant laws and regulations of austria france germany italy luxembourg liechtenstein the netherlands malta and the united kingdom the second edition of the book continues to deliver not only the much needed discussion of the inconsistencies and difficulties when applying the directive but also provides guidance and potential solutions to the problems it raises the second edition considers all new developments in the field of alternative investment funds their managers depositaries and prime brokers including but not limited to statements by the european securities and markets authority esma and national competent authorities on the interpretation of the aifmd as well as new european regulation in particular the priips regulation the eltif regulation the regulation on european venture capital funds euvecar the regulation on european social entrepreneurship funds eusefr mifid ii and ucits v the book will be warmly welcomed by investors and their counsel fund managers depositaries asset managers administrators as well as regulators and academics in the field

pharmaceutical manufacturers and upper management are encouraged to meet the challenges of the science based and risk based approaches to cleaning validation using some of the principles and practices in this volume will help in designing a more effective and efficient cleaning validation program features timely coverage of cleaning validation for the pharmaceutical industry a dynamic area in terms of health based limits the author encourages pharmaceutical manufacturers and particularly upper management to meet the challenges of the science based and riskbased approaches to cleaning validation draws on the author s vast experience in the field of cleaning validation and hazardous materials discusses ema vs ispe on cleaning limits and revised risk mapp for highly hazardous products in shared facilities a diverse list of topics from protocol limits for yeasts and molds to cleaning validation for homeopathic drug products

most parents would never consider dispensing deadly addictive street drugs to their children but if a trusted physician writes a prescription for an fda approved schedule 2 medication for their two year old based on some questionable mental health screening those unwary parents do not question or object despite side effect warnings regularly revealed during tv ads parents frequently fail to take those warnings seriously perhaps presuming that the side effects are happenstance or rarely occur over the decades because organized psychiatry represented by the american psychiatric association apa convened numerous consensus panels that designed hundreds of non biologically based disorders for its diagnostic and statistical manual of mental disorders dsm especially suitable for the pill for every ill pharmaceutical industry that conceivably already had many profitable solutions for the disorders in the pre production process the consequences have been disastrous with no discernable end in sight some people taking prescription drugs or withdrawing from them have perpetrated school mall and public shootings that is in addition to thousands of suicides that the public never hears about unless the victim is a well known public figure like robin williams just the military related suicide rate is 8 000 per year untold numbers of these are the result of the psych drug cocktails doled out by psychiatrists working for the va the government is big pharmas largest customer in addition to the homicides and suicides irreversible brain damage results from drug

remedies to temporary problems that might have been easily resolved through compassionate interaction and talk therapy despite the claims that drugs were not a factor in the sandy hook mass murders certain circumstances provide a different picture adam lanza always a unique individual changed from being a geeky weird kid to being a mass murderer not of people his own age but of beautiful vulnerable children feeling secure in their classrooms in a sleepy bedroom community in connecticut

the rise and spread of the internet has accelerated the global flows of money technology and information that are increasingly perceived as a challenge to the traditional regulatory powers of nation states and the effectiveness of their constitutions the acceleration of these flows poses new legal and political problems to their regulation and control as shown by recent conflicts between google and the european union eu this book investigates the transnational constitutional dimension of recent conflicts between google and the eu in the areas of competition taxation and human rights more than a simple case study it explores how the new conflicts originating from the worldwide expansion of the internet economy are being dealt with by the institutional mechanisms available at the european level the analysis of these conflicts exposes the tensions and contradictions between on the one hand legal and political systems that are limited by territory and on the other hand the inherently global functioning of the internet the eu s promising initiatives to extend the protection of privacy in cyberspace set the stage for a broader dialogue on constitutional problems related to the enforcement of fundamental rights and the legitimate exercise of power that are common to different legal orders of world society nevertheless the different ways of dealing with the competition and fiscal aspects of the conflicts with google also indicate the same limits that are generally attributed to the very project of european integration showing that the constitutionalization of the economy tends to outpace the constitutionalization of politics providing a detailed account of the unfolding of these conflicts and their wider consequences to the future of the internet this book will appeal to scholars working in eu law international law and constitutional law as well as those in the fields of political science and sociology

this newest addition to the nutrition and health series focuses on nutrition s key role in lifestyle interventions to prevent and manage diseases the book pays particular attention to nutritional considerations related to obesity diabetes and cardiovascular disease edited by cardiologist dr james rippe a well known expert in the nascent specialty of lifestyle medicine nutrition in lifestyle medicine will also focus on a variety of specialized areas such as nutrition for athletes and physically active individuals hydration and nutrition throughout the life cycle spanning from children to individuals over the age of 60 in addition chapters will be included on controversies in nutrition such as health effects of added sugars and saturated fatty acids in the diet finally specialized chapters will be included in such areas as nutrition for women nutrition for men nutrition for latinos the use of supplements communication about nutrition public policy issues and the interface between nutrition and physical activity lifestyle medicine supported by the american journal of lifestyle medicine dr rippe s textbook lifestyle medicine crc press 2013 and american college of lifestyle medicine aclm is a new national medicine specialty that stresses the use of lifestyle interventions in the treatment and management of disease its practitioners effectively manage medical treatments alongside the lifestyle interventions for example lowering insulin treatment for patients with diabetes reducing the dose of anti hypertension medications for people with hypertension and prescribing certain medical interventions that aid in smoking cessation

the wto's trade policy review mechanism which reviews the trade policies and practices of each wto member at regular intervals is generally considered to function well in this day and age complacency is unwise examining trade policy reviews throughout the lifetime of the tprm this book details its evolution from article x of the general agreement on tariffs and trade to the proposed modifications resulting from the mechanism's latest appraisal examining the budgetary capabilities and technical performance of all the main entities who participate in the reviews on the basis of these considerations the author concludes that in order to remain relevant especially in times of increased global protectionism the tprm could and should do better and provides unique and timely suggestions for reform

encyclopedia of tissue engineering and regenerative medicine three volume set provides a comprehensive collection of personal overviews on the latest developments and likely future directions in the field by providing concise expositions on a broad range of topics this encyclopedia is an excellent resource tissue engineering and regenerative medicine are relatively new fields still in their early stages of development yet they already show great promise this encyclopedia brings together foundational content and hot topics in both disciplines into a comprehensive resource allowing deeper interdisciplinary research and conclusions to be drawn from two increasingly connected areas of biomedicine provides a one stop resource for access to information written by world leading scholars in the fields of tissue engineering and regenerative medicine contains multimedia features including hyperlinked references and further readings cross references and diagrams images represents the most comprehensive and exhaustive product on the market on the topic

between 1922 and 1996 over 10 000 girls and women were imprisoned in magdalene laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the church and state and unmarried mothers these girls and women were subjected to forced labour as well as psychological and physical maltreatment using the irish state's own report into the magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of ireland's magdalene institutions the book offers an overview of the social cultural and political contexts of institutional survivor activism the irish state's response culminating in the mcAleese report and the formation of the justice for magdalenes campaign a volunteer run survivor advocacy group ireland and the magdalene laundries documents the ongoing work carried out by the justice for magdalenes group in advancing public knowledge and research into magdalene laundries and how the irish state continues to evade its responsibilities not just to survivors of the magdalenes but also in providing a truthful account of what happened drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the magdalene women lived their lives the authors are donating all royalties in the name of the women who were held in the magdalenes to epic empowering people in care

major trends in the development of an important new method of information access that combines elements of natural language processing information retrieval and human computer interaction question answering systems

which provide natural language responses to natural language queries are the subject of rapidly advancing research encompassing both academic study and commercial applications the most well known of which is the search engine ask jeeves question answering draws on different fields and technologies including natural language processing information retrieval explanation generation and human computer interaction question answering creates an important new method of information access and can be seen as the natural step beyond such standard search methods as keyword query and document retrieval this collection charts significant new directions in the field including temporal spatial definitional biographical multimedia and multilingual question answering after an introduction that defines essential terminology and provides a roadmap to future trends the book covers key areas of research and development these include current methods architecture requirements and the history of question answering on the the development of systems to address new types of questions interactivity which is often required for clarification of questions or answers reuse of answers advanced methods and knowledge representation and reasoning used to support question answering each section contains an introduction that summarizes the chapters included and places them in context relating them to the other chapters in the book as well as to the existing literature in the field and assessing the problems and challenges that remain

the evaluation assesses undps contribution to strengthening national capacities in anti corruption and governance integrity this includes an assessment of undps contribution to global and regional level debates and advocacy
