Adapted from Dr. John Gottman's *Raising an Emotionally Intelligent Child*. This book helps adults identify their parenting and care-giving style. It explains the five important steps in emotion coaching children to ensure that children are guided to healthy emotional growth. Dr. Gottman argues that kids who can accept and share their emotions form stronger friendships, achieve more in school, recover from emotional crises more quickly, and are physically healthier. Beautiful illustrations of parents and children help convey the vital message of this guide.

Smalley believes that couples who want to move from a superficial to an ultimate deep level of intimacy and a lasting and loving relationship must master three key skills. First and foremost is honor: respecting your spouse for all of his or her individual qualities as well as differences from you. Next is communication: speaking to one another in a way that moves conversations into deeper realms of understanding. And last, constant renewal: recharging your spouse emotionally, mentally, physically, and spiritually. But it is not easy to recognize and then apply these skills. *Secrets to Lasting Love* shows everyone how to do just that. Once these skills are successfully applied to a relationship, the couple is able to move into what Smalley calls the fifth or ultimate level of intimacy.
