here s how to write salable plays skits monologues or docu dramas from life experiences social issues or current events write plays skits using the technique of ethno playography which incorporates traditions folklore and ethnography into dramatizing real events the sample play and monologues portray events as social issues one true life example for a skit is the scene in the sample play written from first person point of view about a 1964 five minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in motion the

passenger stands between the cars next to his wife who says timorously let her go dear after the wife notices the young protagonist wears a wedding ring the protagonist tells him she's pregnant returning from the john and needs to get back to her family instead he squeezes her head in a vise like grip crushing her between his knee and the wall of the train he kicks at the base of her spine yelling stereotypical ethnic epithets while passengers ignore events after the sample play and three monologues for performance you will have learned how to write ethnographic dialogue and select appropriate scene settings also included are e interviews with popular fiction writers

for 88 years writer's market has given fiction and nonfiction writers the information they need to sell their work from completely up to date listings to exclusive interviews with successful writers the 2009 edition provides all this and more with over 3 500 listings for book publishers magazines and literary agents in addition to a completely updated freelance rate chart in addition to the thousands of market listings you'll find up to date information on becoming a successful freelancer covering everything from writing query letters to launching a freelance business and more

here is everything a developer needs to know about using visual c to implement real time internet commerce solutions with cgi and isapi extensions on a server the book instructs developers on processing forms and orders taking credit cards and receiving payments from their server the cd rom contains source code from the book and actual working html and c for cgi and isapi code

on behalf of the organizing committee we would like to welcome you to the proceedings of the 23rd international conference on conceptual modeling er 2004 this conference provided an international forum for technical discussion on conceptual modeling of information systems among researchers developers and users this was the third time that this conference was held in asia the first time was in singapore in 1998 and the second time was in yokohama japan in 2001 china is the third largest nation with the largest population in the world shanghai the largest city in china and a great metropolis famous in asia and throughout the world is therefore a most appropriate location to host this conference this volume contains papers selected for presentation and includes the two keynote talks by prof hector garcia molina and prof gerhard weikum and an invited talk by dr xiao ji this volume also contains industrial papers and demo poster papers an additional volume contains papers from 6 workshops the conference also featured three tutorials 1 change management and delta mining opportunities and solutions by sanjay madria 2 a
