what can psychoanalysis offer contemporary arguments in the fields of feminism queer theory and postcolonialism jan campbell introduces and analyses the way that psychoanalysis has developed and made problematic models of subjectivity linked to issues of sexuality ethnicity gender and history via discussions of such influential and diverse figures as lacan irigaray kristeva dollimore bhabha morrison and walker campbell uses psychoanalysis as a mediatory tool in a range of debates across the human sciences whilst also arguing for a transformation of psychoanalytic theory itself alert to the issues at stake in either a wholesale acceptance of rejection of psychoanalysis campbell offers the possibility of a re negotiated interpretation of the symbolic system as a necessary and valuable intervention in cultural theory

until recently feminist theory and citizenship theory have seemed two distinct areas with writers in both camps seldom discussing the other s work feminism and citizenship challenges this silence arguing for the need to collect the debates around citizenship and feminism the author provides an original reflection upon the key issues in political theory and advocates a unique feminist intervention into the sub themes of citizenship including liberty rights social equality political identity political representation and political judgement rian voet moves to develop a feminist notion of citizenship by discussing critically citizenship theories and identifying rudimentary feminist theories of citizenship h

stuart hall in whose honour this volume is compiled has made significant contributions to contemporary social and political discourse constantly praised for his scholarly prescience he was at the helm of the forging and definition of the discipline of cultural studies and nurtured an entire cadre of young intellectuals who continue to make remarkable contributions in the fields of cultural studies and social criticism the essays that constitute this collection all in different ways contend with hall s methodology his philosophy as well as many other dimensions of his rich and textured intellectual career more importantly however they serve to reconnect his work to the social context of his island of birth jamaica and the wider caribbean

a concise yet rich guide to the sex gender debates professor warnke has crafted an incisive synthesis of debates around a set of questions that have consistently preoccupied scholars for nearly six decades lessie jo frazier indiana university

they are often portrayed as outsiders ethnic minorities the poor the disabled and so many others all living on the margins of mainstream society countless previous studies have focused on their pain and powerlessness but that has done little more than sustain our preconceptions of marginalized groups most accounts of marginalization approach the subject from a distance and tend to overemphasize the victimization of outsiders taking a more intimate approach this book reveals the personal moral and social implications of marginalization by drawing upon the actual experiences of such individuals multidisciplinary and multicultural identity on the

margin addresses marginalization at a variety of social levels and within many different social phenomena going beyond familiar cases dealing with race ethnicity and gender to examine such outsiders as renegade children conservative christians and the physically and mentally disabled and because women are especially subject to the effects of marginalization feminist concerns and the marginalization of sexual practices provide a common denominator for many of the essays from problems posed by complimentary racism to the status of gays in tony blair s england from the struggle of native americans to preserve their identities to the singular problems of single mothers identity on the margin takes in a broad spectrum of cases to provide theoretical analysis and ethical criticism of the mechanisms of identity formation at the edges of society in all of the cases the authors demonstrate the need for theory that initiates social change by considering the ethical implications of marginalization and criticizing its harmful effects bringing together accounts of marginalization from many different disciplines and perspectives this collection addresses a broad audience in the humanities and social sciences it offers a basis for enhancing our understanding of this process and for working toward meaningful social change

contributed articles

there is a respectable feminist tradition in utopian thought dreams and fantasies about gender equal women friendly or female dominated worlds have been formulated abundantly however utopian thinking has also met with severe criticism by definition utopias were said to be too idealistic and of little use in the process of societal change more recently it has been stressed that the concept of utopia has been superseded by postmodern awareness in which general explanations of gender inequality and along with them general utopian views are disqualified to the benefit of more local and more specific theories in this book the reader will find not one general broadly defined utopia but instead a wide array of more or less specific feminist utopias utopias are viewed as preliminary and imaginary goals from which present situations can be revalued and from which strategies for change can be developed as such utopias have not lost their significance

the study of gender and social politics is an expanding area this text suitable for both undergraduate and postgraduate students looks at contested concepts and themes in the subject

are women still oppressed is paid employment the key to liberation should pornography be banned do women have an absolute right to abortion can women in government really make a difference this book draws on a wide range of theoretical empirical and comparative material to provide a lucid account of feminist debates and the ways in which political disagreements stem from underlying theoretical assumptions clear and balanced in its assessment of different problems and perspectives it offers an essential guide to contemporary feminist thinking and practice
