anyone who speaks for a living knows that at some point you just run out of relevant stories to tell and there s nothing more embarrassing to a preacher or teacher than a listener pointing out that they ve heard a story three or four times now what s a busy speaker to do edward k rowell and leadership journal have come to the rescue with this fresh compilation of quotes idea starters illustrations and humor to jump start or add kick to speeches sermons and lessons this easy to use volume is the perfect addition to the library of any pastor teacher or public speaker

following his acclaimed life of dickens robert douglas fairhurst illuminates the tangled history of two lives and two books drawing on numerous unpublished sources he examines in detail the peculiar friendship between the oxford mathematician charles dodgson lewis carroll and alice liddell the child for whom he invented the alice stories and analyzes how this relationship stirred carroll s imagination and influenced the creation of wonderland it also explains why alice in wonderland 1865 and its sequel through the looking glass 1871 took on an unstoppable cultural momentum in the victorian era and why a century and a half later they continue to enthrall and delight readers of all ages the story of alice reveals carroll as both an innovator and a stodgy traditionalist entrenched in habits and routines he had a keen double interest in keeping things moving and keeping them just as they are in looking glass land alice must run faster and faster just to stay in one place tracing the development of the alice books from their inception in 1862 to liddell s death in 1934 douglas fairhurst also provides a keyhole through which to observe a larger shifting cultural landscape the birth of photography changing definitions of childhood murky questions about sex and sexuality and the relationship between carroll s books and other works of victorian literature in the stormy transition from the victorian to the modern era douglas fairhurst shows wonderland became a sheltered world apart where the line between the actual and the possible was continually blurred
