we are at a crossroads either we can try to prop up the old broken marketing model or we can create a new model one that is fit for the unique challenges of today from good is the new cool marketing has an image problem media savvy millennials and their younger gen z counterparts no longer trust advertising and they demand increased social responsibility from their brands while still insisting on cutting edge products with on trend design as always

brands need to be cool but now they need to be good too it's a tall order and with new technology empowering consumers to bypass advertisements altogether it won't be long before the old advertising based marketing model goes the way of the major label if only there was a new model one that allowed companies to address environmental civic and economic issues in a way that grew their brand and business while giving back to society and rebranding branding as a powerful force for good enter good is the new cool a bold new manifesto from marketing experts afshel aziz and bobby jones in provocative whip smart and streetwise style they take aim at conventional marketing posing the questions few have had the vision and courage to ask if the system is broken how can we fix it rather than sinking money into advertising why not create a new model in which great marketing optimizes life with seven revolutionary new principles from treat people as citizens not consumers to lead with the cool and insights and interviews from a new generation of marketers social entrepreneurs and leaders of such brands as zappos citibank the honest company as well as the culture creators working with artists like lady gaga pharrell and justin bieber this rule breaking book is the new business model for the twenty first century and a call to action for anyone committed to building a better tomorrow this visionary book won't just change your business it will change the world

in this 2012 book author austin kleon approaches an often considered taboo subject of the world of creative works copying another's work while most consider the idea of copying another's style or design to be wrong austin says it doesn't have to be instead kleon suggests that the best creative ideas come from building off of ideas that others have already had kleon suggests that creativity is everywhere and is for everyone so even if you don't feel like you are as great of an author painter photographer or whatever your chosen medium may be you should still learn from the best and try your best to imitate their work this he says is how everyone finds their own individual style while discussing what he calls the inevitability of influence kleon tells his readers to live outside the vacuum and just to have fun with their art he says there is no such thing as an original idea in today's creative world instead every artist is merely taking ideas from one another and adding their own stylistic elements you don't need to be a genius he says you just need to be yourself throughout the book which is organized into eleven major subheadings kleon tells us to create what we would enjoy in the hope that someone else will enjoy it too instead of creating something popular or trendy to cater to the masses we should instead simply create to please ourselves after all new trends

are forged when people are willing to step outside of the box the book itself is an easy and fun read and suitable for young adults as well as more seasoned artists

painting flowers is a joyful experience to capture and celebrate the colour form and beauty of flowers in watercolour is an endlessly exciting pursuit this book encourages you to experiment and play when you paint to enjoy the process of creating a painting and to develop your own style as you observe and render either a single stem or a full floral abstract by moving from the tight constraints of botanical illustration it encourages a looser style of floral painting that allows for a more personal and unique interpretation of the subject contents include observational skills the importance of looking closely at a subject to see detail in a new way understanding your materials and equipment looks at traditional tools and paints but also how photography and other digital media can be used to the artist's advantage inspiration and design ideas suggest ways to express emotions by experimenting with colour shapes concepts and narrative demonstrations exercises studio tips and projects guide the way but the book's emphasis is on developing your own ideas and styles through creative experimentation beautifully illustrated with 273 colour images
