a powerful and timely addition to the literature of rhetoric and folklore choice in 1860 abraham lincoln employed the proverb right makes might opposite of the more aggressive might makes right in his famed cooper union address while lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century in this collection famed scholar of proverbs wolfgang mieder explores the multifaceted use and function of proverbs through the history of the united states from their early beginnings up through their use by such modern day politicians as barack obama hillary rodham clinton and bernie sanders building on previous publications and unpublished research mieder explores sociopolitical aspects of the american worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment

this is the story of paris from the reformation to the religious wars through the

works of françois le picart the most popular preacher from 1530 1556 the book delineates the increasing tensions sparked by reformation ideas targeted by calvin and beza le picart was considered the reason paris remained in the catholic fold exiled by francis i for his incendiary preaching he would later serve as a professor and lecturer coming into close contact with the first jesuits a fierce opponent of heresy he helped compile the articles of faith read heretical books lectured on scripture and presided at executions his 270 sermons the only substantial preaching source for this period offer glimpses of life during these increasingly troubled times that challenge works by denis crouzet suggesting that france was in the grip of eschatological anguish

that the poet john gower was a major literary figure in england at the close of the fourteenth century is no longer in question scholarly attention paid to him and to his work over the past twenty five years has redeemed him from an undeserved obscurity imposed by the preceding two hundred the facts of his life and career are now documented and recent critical assessment has placed his achievement most accurately alongside chaucer s langland s and the gawain poet s unique among his contemporaries all of whom undoubtedly read and used french in some measure gower alone has left us a significant body of verse and prose in anglo norman chiefly the twelve stanza poem mirour de l omme the cinkante balades and the traitié pour les amantz marietz we are offered in this concordance of his anglo norman work a unique opportunity to view a poetic language as it was written and read in england until gower s death in 1408 and beyond

in a restless world where eternal truths are often set aside achille messac offers a light this book is not an opinion it is a synthesis a pure evangelical word drawn directly from the holy scriptures united with a thoughtful reflection on true happiness divided into seven parts it explores the dimensions of present happiness the promise of perfect happiness and the living faith that leads to inner peace each page calls for the awakening of the soul spiritual unity and an unwavering hope in god this message does not name a religion because it speaks to all it is read with the bible at hand and the heart attentive it invites not to an opinion but to a certainty the certainty of divine love and eternal joy
