this monograph presents a new history of early american literature that traces the diverse forms of fiction circulating in the early united states 1789-1861 and how they shaped the way americans thought and argued about political and cultural issues of their age

in this trenchant and lively study brian mchale undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as north american metafiction latin american magic realism the french new new novel concrete prose and science fiction considering a variety of theoretical approaches including those of ingarden eco dolezel pavel and brushovski mchale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live exploiting various theoretical approaches to literary ontology those of ingarden eco dolezel pavel brushovski and others and ranging widely over contemporary world literature mchale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking

the profound political and social changes germany has undergone since 1989 have been reflected in an extraordinarily rich range of contemporary writing contemporary german fiction focuses on the debates that have shaped the politics and culture of the new germany that has emerged from the second half of the 1990s onwards and offers the first comprehensive account of key developments in german literary fiction within their social and historical context each chapter begins with an overview of a central theme such as east german writing west german writing writing on the nazi past writing by women and writing by ethnic minorities the authors discussed include gert grasser ingo schulze judith hermann christa wolf christian kracht and zafer senocak these informative and accessible readings build up a clear picture of the central themes and stylistic concerns of the best writers working in germany today

in this expansive history of south carolina's commemoration of the civil war era thomas j brown uses the lens of place to examine the ways that landmarks of confederate memory have helped white southerners negotiate their shifting political social and economic positions by looking at prominent sites such as fort sumter charleston's magnolia cemetery and the south carolina statehouse brown reveals a dynamic pattern of contestation and change he highlights transformations of gender norms and establishes a fresh perspective on race in civil war remembrance by emphasizing the fluidity of racial identity within the politics of white supremacy despite the conservative ideology that connects these sites brown argues that the confederate canon of memory has adapted to address varied challenges of modernity from the war's end to the present when enthusiasts turn to fantasy to renew a faded myth while children of the civil rights era look for a usable confederate past in surveying a rich controversial and sometimes even comical cultural landscape brown illuminates the workings of collective memory sustained by engagement with the particularity of place

of all mankind's vices racism is one of the most pervasive and stubborn success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul this bibliography brings together the literature

provides a listing of subject headings applied by the library of congress to children's materials each followed by the most appropriate classification number based on the abridged dewey decimal classification edition 13 and includes a keyword index

incorporates authors name biographies and titles of their works in one alphabetical listing plot summaries also included covers u.s. and canadian literature

this book reveals through a compelling mix of scholarly research global mythology and lucid story telling the spiritual roots of western culture shamanism an in depth study of the witchcraft trial records and the testimony of the witches themselves proves that the european peasants accused of witchcraft died in fact for the sake of the world's oldest spiritual path learn why shamanism has survived in one form or another to this day

asian cinema is an area of increasing interest in anglo us film studies while asian films are now widely distributed and popular with western audiences the fascination with asian cinema must be examined in the context of a complex and often problematic relationship between western scholars students viewers and asian films this book therefore examines a number of detailed case studies such as the films of ozu bruce lee hong kong and turkish cinema hindi melodramas godzilla films taiwanese directors and fifth generation chinese cinema and uses them in order to investigate the limitations of anglo us theoretical models and critical paradigms by engaging the readers with familiar areas of critical discourse such as postcolonial criticism national cinema genre authorship and stardom the book aims to introduce within such contexts the unfamiliar case studies which will be explored in depth and detail the advantage of such an approach is that it works with the dynamics of familiarity unfamiliarity and resists the temptation to construct asian cinemas as a gallery of exotic objects that might be particularly fascinating but remain deeply distant and foreign features a comprehensive study of asian cinemas including hong kong japan china india turkey and taiwan an accessible guide for the study and research of asian cinema which addresses undergraduate and postgraduate students and researchers each section contains a contextualising introduction includes key texts by ackbar abbas rey chow david desser dimitris eleftheriotis nezih erdo

from the depression era of the 1930s through the vietnam war of the 1960s a generation of public intellectuals thrived in america they were poets novelists critics and commentators who were also friends rivals spouses and lovers their personal relationships were as passionate as their writing in their poems novels and essays they debated one another while producing work that was brilliant and often controversial among them are such influential writers as mary mccarthy edmund wilson robert lowell elizabeth hardwick and hannah arendt while the pages of partisan review were a forum for political and intellectual controversy its offices were a hotbed of gossip intrigue back stabbing and sex possessed of enormous ambition talent and appetite the pr circle was an intense self enclosed society where creative energy often gave way to self destructive impulses alcoholism and adultery for women of talent beauty and ambition this literary circle offered unprecedented professional opportunity but also exacted a terrible emotional price amidst all the turmoil or perhaps because of it this brilliant circle continued to produce important work from mccarthy s scandalous novel the group to arendt s eichmann in jerusalem which caused a firestorm of controversy written with keen insight into both the literature and the personalities behind it partisans is an illuminating portrait of a time when politics and poetry were all consuming passions book jacket title summary field provided by blackwell north america inc all rights reserved
