eliminate sexual harassment unconscious bias ethical lapses and other
hr nightmares companies spend millions on legal compliance training
and initiatives to eliminate workplace drama and the resulting low
morale and lawsuits but don't always get the results they want most
organizations understand that simply checking legal compliance boxes
around sexual harassment bias etc isn't enough but are at a loss on
how to implement solutions especially in today's post metoo world
patti perez is an attorney hr expert trainer and former state
regulator who has conducted over 1 200 workplace investigations in
this unique book she explains the secret to avoiding all forms of
drama legal exposure and low morale a healthy workplace culture patti
combines the lessons learned from 25 years of professional experience
with robust data from behavioral science research to debunk common
myths including the belief that a focus on legal compliance leads to a

healthy workplace culture in fact it increases the likelihood of getting sued the drama free workplace includes a section with easy to understand causes effects and solutions to problems related to sexual harassment bias and diversity ethics lapses the book also includes helpful information on becoming an organization that values and practices fearlessness fairness and freedom anticipating situations that give rise to drama with detailed advice on how to prevent it from happening using emotional intelligence to communicate more precisely and persuasively about sensitive controversial topics in the workplace finally the book s diy section guides companies on how to draft and enforce helpful policies that employees will actually read and want to follow design and deliver powerful and effective training programs investigate and resolve claims of sexual harassment and other types of misconduct together these practical tools will help all your employees feel valued and motivated and keep drama disengagement and lawsuits away

for more than 20 years network world has been the premier provider of information intelligence and insight for network and it executives responsible for the digital nervous systems of large organizations readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce

sponsored by the adolescent mental health initiative of the annenberg public policy center appc of the university of pennsylvania and the annenberg foundation trust at sunnylands trust treating and preventing adolescent mental health disorders second edition provides a major update since the first edition in 2005 it addresses the current state of knowledge about the major mental health disorders that emerge during adolescence including updated dsm 5 diagnostic criteria here six commissions established by the appc and the sunnylands trust pool their expertise on adolescent anxiety schizophrenia substance use disorders depression and bipolar disorders eating disorders and suicidal behavior in sections that thoroughly define each disorder outline and assess available treatments discuss prevention strategies and suggest a research agenda based on what we know and don t yet know about these various conditions two additional behavioral disorders gambling and internet addiction are covered in this second edition as a meaningful counterpoint to its primary focus on mental illness the volume also incorporates the latest research from a seventh commission on positive youth development which addresses how we can fully prepare young people to be happy and successful throughout their lives

concluding chapters discuss overarching issues regarding the behavioral and mental health of adolescents overcoming the stigma of mental illness the research policy and practice context for the delivery of evidence based treatments and the development of a more robust agenda to advance adolescent health integrating the work of eminent scholars in both psychology and psychiatry this work will be an essential volume for academics and practicing clinicians and will serve as a wake up call to mental health professionals and policy makers alike about the state of our nation s response to the needs of adolescents with mental disorders
