exploring three major hubs of muralist activity in california where indigenist imagery is prevalent walls of empowerment celebrates an aesthetic that seeks to

firmly establish chicana/o sociopolitical identity in U.S. territory providing readers with a history and genealogy of key muralists' productions. Guisela Latorre also showcases new material and original research on works and artists never before examined in print, an art form often associated with male creative endeavors. Muralism in fact reflects significant contributions by chicana/o artists encompassing these and other aspects of contemporary dialogues including the often tense relationship between graffiti and muralism. *Walls of Empowerment* is a comprehensive study that unlike many previous endeavors does not privilege non-public Latina/o art. In addition, Latorre introduces readers to the role of new media including performance, sculpture and digital technology in shaping the muralist's canvas. Drawing on nearly a decade of fieldwork, this timely endeavor highlights the ways in which California's Mexican American communities have used images of indigenous peoples to raise awareness of the region's original citizens. Latorre also casts murals as a radical force for decolonization and liberation and she provides a stirring description of the decades particularly the late 1960s through 1980s that saw California's rise as the epicenter of mural production blending the perspectives of art history and sociology with firsthand accounts drawn from artists' interviews. *Walls of Empowerment* represents a crucial turning point in the study of these iconographic artifacts.

Mexican Americans are rapidly becoming the largest minority in the United States playing a vital role in the culture of the American Southwest and beyond. This A to Z guide offers comprehensive coverage of the Mexican American experience. Entries range from figures such as Corky Gonzales, Joan Baez, and Nancy Lopez to general entries on bilingual education, assimilation, border culture, and southwestern agriculture. Court cases, politics, and events such as the Delano grape strike all receive full coverage while the definitions and significance of terms such as coyote and tejano are provided in shorter entries taking a historical approach. This book's topics date back to the 1848 Treaty of Guadalupe Hidalgo, a radical turning point for Mexican Americans as they lost their lands and found themselves thrust into an alien social and legal system. The entries trace Mexican Americans' experience as a small conquered minority, their growing influence in the 20th century, and the essential roles their culture plays in the borderlands or the American Southwest in the 21st century.

Murales Rebeldes: La Chicana Chicano Murals Under Siege is published by La Plaza de Cultura y Artes and the California Historical Society in association with Angel City Press as a companion publication to the exhibition *Murales Rebeldes: La Chicana Chicano Murals Under Siege* (September 2017–February 2018) part of the Getty's Pacific Standard Time LA LA.

This book offers detailed analyses of individual East LA murals, sets them in social context, and explains how they were produced.

In Alma Lopez's digital print *Lupe Sirena in Love* (1999) two icons—the Virgin of Guadalupe and the mermaid Sirena, who often appears on Mexican lottery cards—embrace one another symbolically, claiming a place for same sex desire within Mexican and Chicano/a religious and popular cultures. Ester Hernandez's 1976
