human rights and the third world issues and discourses deals with the controversial questions on the universalistic notions of human rights it finds third world perspectives on human rights and seeks to open up a discursive space in the human rights discourse to address unresolved questions citing issues and problems from different countries in the third world 1 whether alternative perspectives should be taken as the standard for human rights in the third world countries 2 should there be a universalistic notion of rights for homo sapiens or are we talking about two diametrically opposite trends and standards of human rights for the same species 3 how far these third world perspectives of human rights can ensure the protection of the minorities and the vulnerable sections of population particularly the women and children within the third world 4 can these alternative perspectives help in fighting the third world problems like poverty hunger corruption despotism social exclusion like the caste system in india communalism and the like 5 can there be reconciliation between the third world perspectives and the western perspective of human rights

this book analyses the process of the recruitment of foreign fighters from the western balkans specifically bosnia and herzegovina and kosovo to syria and iraq from 2012 to 2015 utilizing in depth semi structured interviews with foreign fighters and their families as well as a number of relevant stakeholders it answers the question of what were the processes and circumstances leading up to the departure of foreign fighters from bosnia and herzegovina and kosovo and what informed their agency the author draws on the theories of social movement approaches more specifically contentious politics literature and utilizes the specific concepts of triggering mechanisms which refer to the enabling circumstances that make the radicalization and departure possible and pleasure in agency to elaborate on individual motivation the book also

shows how a wider state fragility within the context of the post yugoslav wars and the transitional period that never ended aided radicalization and how an incomplete process of post war transition can fuel the process of political and religious radicalization creating a wider enabling web for recruitment it will be of interest to students and scholars of southeast european politics and foreign policy post war democratic transition security policy and radicalization more broadly
