national book critics circle award winner new york times bestseller usa today bestseller a new york times notable book of the year a washington post notable nonfiction book of the year a boston globe best book of 2016 a chicago review of books best nonfiction book of 2016 from the civil war to our combustible present acclaimed historian carol anderson reframes our continuing conversation about race chronicling the powerful forces opposed to black progress in america as ferguson missouri erupted in august 2014 and media commentators across the ideological spectrum referred to the angry response of african americans as black rage historian carol anderson wrote a remarkable op ed in the washington post suggesting that this was instead white rage at work with so much attention on the flames she argued everyone had ignored the kindling since 1865 and the passage of the thirteenth amendment every time african americans have made advances towards full participation in our democracy white reaction has fueled a deliberate and relentless rollback of their gains the end of the civil war and reconstruction was greeted with the black codes and jim crow the supreme court s landmark 1954 brown v board of education decision was met with the shutting down of public schools throughout the south while taxpayer dollars financed segregated white private schools the civil rights act of 1964 and voting rights act of 1965 triggered a coded but powerful response the so called southern strategy and the war on drugs that disenfranchised millions of african americans while propelling presidents nixon and reagan into the white house and then

the election of america's first black president led to the expression of white rage that has been as relentless as it has been brutal carefully linking these and other historical flashpoints when social progress for african americans was countered by deliberate and cleverly crafted opposition anderson pulls back the veil that has long covered actions made in the name of protecting democracy fiscal responsibility or protection against fraud rendering visible the long lineage of white rage compelling and dramatic in the unimpeachable history it relates white rage will add an important new dimension to the national conversation about race in america

this young adult adaptation of the new york times bestselling white rage is essential antiracist reading for teens an naacp image award finalist a kirkus reviews best book of the year a nypl best book for teens history texts often teach that the united states has made a straight line of progress toward black equality the reality is more complex milestones like the end of slavery school integration and equal voting rights have all been met with racist legal and political maneuverings meant to limit that progress we are not yet equal examines five of these moments the end of the civil war and reconstruction was greeted with jim crow laws the promise of new opportunities in the north during the great migration was limited when blacks were physically blocked from moving away from the south the supreme court's landmark 1954 brown v board of education decision was met with the shutting down of public schools throughout the south the civil rights act of 1964 and voting rights act of 1965 led to laws that disenfranchised millions of african american voters and a war on drugs that disproportionately targeted blacks and the election of president obama led to an outburst of violence including the death of black teen michael brown in ferguson missouri as well as the election of donald trump including photographs and archival imagery and extra context backmatter and resources specifically for teens this book provides essential history to help work for an equal future

twayne's united states authors english authors and world authors series present concise critical introductions to great writers and their works devoted to critical interpretation and discussion of an author's work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view an authors series volume addresses readers ranging from advanced high school students to university professors the book suggests to the informed reader new ways of considering a writer's work each volume features a critical interpretive study and explication of the author's works a brief biography of the author an accessible chronology outlining the life the work and relevant historical context aids for further study complete notes and references a selected annotated bibliography and an index a readable style presented in a manageable length

the objective of this paper is to develop a historical analysis of selected organizations and groups involved in bridging racial divides in two highly racially segregated metropolitan communities the detroit metropolitan and the benton harbor st joseph communities p 3

in his first major book on the state of black america since the new york times bestseller losing the race john mcwhorter argues that a renewed commitment to achievement and integration

is the only cure for the crisis in the african american community winning the race examines the roots of the serious problems facing black americans today poverty drugs and high incarceration rates and contends that none of the commonly accepted reasons can explain the decline of black communities since the end of segregation in the 1960s instead mcwhorter posits that a sense of victimhood and alienation that came to the fore during the civil rights era has persisted to the present day in black culture even though most blacks today have never experienced the racism of the segregation era mcwhorter traces the effects of this disempowering conception of black identity from the validation of living permanently on welfare to gansta rap s glorification of irresponsibility and violence as a means of protest he discusses particularly specious claims of racism attacks the destructive posturing of black leaders and the hip hop academics and laments that a successful black person must be faced with charges of acting white while acknowledging that racism still exists in america today mcwhorter argues that both blacks and whites must move past blaming racism for every challenge blacks face and outlines the steps necessary for improving the future of black america

presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts includes lists of best sellers hardcover and paperback
