noting that academic biblical scholars and christian ethicists have been methodologically estranged for some decades now brian brock seeks to reframe the whole bible and ethics discussion in terms of this question what role does the bible play in god's generation of a holy people and how do we participate in that regeneration brock first examines various major contemporary thinkers on the bible and christian ethics including john howard yoder brevard childs john webster and dietrich bonhoeffer he then undertakes major discussions of augustine and martin luther unpacking their interpretation of the psalms finally brock articulates the processes of renewal in god's people his close study of a few individual psalms shows how we enter the world of praise in which all human life is

comprehended within god s work and is thus renewed immersion in the exegetical tradition of the christian faith brock argues must be the heart and soul of theology and ethics

this book is about your original purpose for existence and the source of meaning behind your life in these pages you will discover the creator s divine motivation design and mandate for his creation and your role in that creation after reading this book you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world i am convinced also that you will come to believe as i do that there is hope for mankind but only as we reconnect to the source of creation and our creator s original concepts for life on planet earth it is this concern that this book will attempt to address the goal of this book is to reintroduce the concepts principles and nature of true authentic kingdoms as presented by the creator and show the superior and advantageous nature of kingdom as compared to any religion political ideology government system or social program join me as we explore and understand the precepts and principles of the kingdom

the unsettling context of late modernity a terrain of an infinite fragmentation of life poses a challenge to christianity to rearticulate its defining doctrine of the trinity christianity s initial messianic weakness in that its canonical writings attest to a universal message of redemption for the victims of empire was subverted into the strong theology of the empire this book demonstrates that trinitarian discourse was profoundly implicated in this development as it essentially absorbed and took the bite out of the messianic language of the early christian movement zathureczky proposes a retrieval of the messianic discourse of christianity by way of recapturing its redemptive weakness relying on an elective affinity between walter benjamin s messianism and jürgen moltmann trinitarianism he attempts to recapture the weakness and fragility of the language of the initial messianic impulse of the christian community the resulting weak trinitarianism retains the basic character of christianity as a trinitarian faith but now trinitarian discourse about god is simultaneously messianic discourse a language that is attuned to give voice to the damaged lives and alienating conditions of our contemporary context

our hearts are restless till they find their rest in thee prophetic wisdom in a time of anguish from coleman b brown edited by michael granzen and lisa a masotta the book includes powerful reflections from chris hedges peter ochs and joshua brown

explores the space between religion and philosophy as the religious person cannot escape philosophical perplexity and the philosopher of religion this work is primarily an effort to rethink the question of god in a constructive spirit it is a contribution to the ongoing scholarly debates surrounding the intersection of philosophy and religion

while serious studies of the bible's rhetoric have been written for academic readers few have attempted to examine the persuasiveness of speeches directly assigned to the biblical god that so many believe in and worship further no critic has yet tried to analyze how this god tries to invent and develop his arguments in the bible as it has come down to us or how this god arranges those arguments or the styles he adopts to make them and the roles memory and delivery play in his arguments eloquence divine is one agnostic's attempt at such a study those in the humanities educators and their students graduates and undergraduates interested in rhetoric persuasive language religion and the bible are the ones most likely to be interested in this book's explorations in the hope that these readers whatever their beliefs or theoretical preferences can gain greater understanding of how one a fairly popular version of god strives through his eloquence to affect the human audiences in the bible from the introduction

2023 catholic media association first place award author of the year 2023 association of catholic publishers first place award scripture in this book new testament scholar gerhard lohfink interprets a spectrum of biblical texts some familiar others not he explores them in a spirit of curiosity questions them insistently and confronts them with the realities of our present day from covid 19 to the inner loneliness experienced by so many in light of central biblical texts lohfink asks what would a life look like today if it were wholly in the world and at the same time wholly in god sweeping joyously between heaven and earth aware of the immeasurable breadth of the universe and still able to marvel at the tiniest flower knowing the depths of the human heart and being comforted by a child's smile this book takes up the colorful threads of many old and new testament texts and weaves from them a many hued tapestry of biblical theology it reveals things unknown sheds new light on things known and is full of surprises it speaks not only to the curious or the nones who want to know more about the christian message it is addressed to everyone who senses a desire to understand the bible better and more deeply
