hip hop literature also known as urban fiction or street lit is a type of writing evocative of the harsh realities of life in the inner city beginning with seminal works by such writers as donald goines and iceberg slim and culminating in contemporary fiction autobiography and poetry hip hop literature is exerting the same kind of influence as hip hop music fashion and culture through more than

180 alphabetically arranged entries this encyclopedia surveys the world of hip hop literature and places it in its social and cultural contexts entries cite works for further reading and a bibliography concludes the volume coverage includes authors genres and works as well as on the musical artists fashion designers directors and other figures who make up the context of hip hop literature entries cite works for further reading and the encyclopedia concludes with a selected general bibliography students in literature classes will value this guide to an increasingly popular body of literature while students in social studies classes will welcome its illumination of american cultural diversity

this book provides a systematic and vibrant account of the range and achievements of contemporary black writers

over the last few decades the genre of urban fiction or street lit has become increasingly popular as more novels secure a place on bestseller lists that were once the domain of mainstream authors in the 1970s pioneers such as donald goines iceberg slim and claudette brown paved the way for today s street fiction novelists poets and short story writers including sister souljah kenji jasper and colson whitehead in street lit representing the urban landscape keenan norris has assembled a varied collection of articles essays interviews and poems that capture the spirit of urban fiction and nonfiction produced from the 1950s through the present day providing both critical analyses and personal insights these works explore the street lit phenomenon to help readers understand how and why this once underground genre has become such a vital force in contemporary literature interviews with literary icons david bradley gerald early and lynel gardner are balanced with critical discussions of works by goines jasper whitehead and others with an introduction by norris that explores the roots of street lit this collection defines the genre for today s readers and provides valuable insights into a cultural force that is fast becoming as important to the american literary scene as hip hop is to music featuring a foreword by bestselling novelist omar tyree flyyy girl and comprised of works by scholars established authors and new voices street lit will inspire any reader who wants to understand the significance of this sometimes controversial but unquestionably popular art form

now available in a trade paperback edition sister souljah s debut novel about the daughter of a drug lord captures the allure and the danger of brooklyn s streets

examines how young black women who came of age during the hip hop era are grappling with the gender politics of a predominately masculine space

reading is my window books and the art of reading in women s prisons

from the celebrated author of the divine nine comes a fascinating eye opening

portrait of black identity today ross addresses existential questions concerning the connection between black people in the 21st century by profiling a day in the life of a diverse group of people doormen lawyers students artists and even prisoners all with different languages world beliefs and status he examines whether any qualities transcend income social status and birth place he finds in the answers that there is a universal black experience despite diversity

a complete guide to the history development people events and ideas of hip hop music and culture

containing 27 000 entries and over 6 000 new entries the online edition of the encyclopedia of popular music includes 50 more material than the third edition featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system

an insightful exploration into the works of african american writers born in the 1960s and 1970s writing the future of black america explores the work of eight representative african american writers of the hip hop generation to assess their common themes and offer insights into contemporary race relations in america as expressed and challenged in their works in this groundbreaking study daniel grassian takes as his subjects a group of impressive novelists essayists poets and playwrights paul beatty trey ellis terrence hayes allison joseph jake lamar suzan lori parks danzy senna and colson whitehead to chart the depths of their literary work against that of their predecessors in the civil rights generation and their predominantly white contemporaries of generation x characterized by the pursuit of empowerment through hybridity social criticism and personal expression hip hop has become the music and culture of choice for a sizable portion of america regardless of race or socioeconomic standing meanwhile the writers of this generation have received little serious critical attention aside from singular book reviews and occasional essays grassian fills in a gap in the discourse with his thorough analysis of the works crafted by these distinguished hip hop writers and he makes a case for the validity and value of studying their sophisticated engagements with race in contemporary america selected because their work addresses a broad range of african american life these writers fathom such topics as what it means to be african american or multiethnic in an increasingly global society what role art and literature play in affecting their communities and what positive and negative authority has been assigned to popular culture and hip hop culture specifically in modern african american life
