from the end of georgia s white primary in 1946 to the present atlanta has been a community of growing black electoral strength and stable white economic power yet the ballot box and investment money never became opposing weapons in a battle for domination instead atlanta experienced the emergence and evolution of a biracial coalition although beset by changing conditions and significant cost pressures this coalition has remained intact at critical junctures forces of cooperation overcame antagonisms of race and ideology while retaining a critical distance from rational choice theory author clarence stone finds the problem of collective action to be centrally important the urban condition in america is one of weak and diffuse authority and this situation favors any group that can act cohesively and control a substantial body of resources those endowed with a capacity to promote cooperation can attract allies and overcome oppositional forces on the negative side of the political ledger atlanta s style of civic cooperation is achieved at a cost despite an ambitious program of physical redevelopment the city is second only to newark new jersey in the poverty rate social problems conflict of interest issues and inattention to the production potential of a large lower class bespeak a regime unable to address a wide range of human needs no simple matter of elite domination it is a matter of governing arrangements built out of selective incentives and inside deal making such arrangements can serve only limited purposes the capacity of urban regimes to bring about elaborate forms of physical redevelopment should not blind us to their incapacity to address deeply rooted social problems stone takes the historical approach seriously the flow of events enables us to see how some groups deploy their resource advantages to fashion governing arrangements to their liking but no one enjoys a completely free hand some arrangements are more workable than others stone s theory minded analysis

of key events enables us to ask why and what else might be done regime politics offers readers a political history of postwar atlanta and an elegant innovative and incisive conceptual framework destined to influence the way urban politics is studied

Right here, we have countless books **Sisters 1973 Paper** and collections to check out. We additionally provide variant types and next type of the books to browse.
