parents had questions about the tests their children took at school they considered them to be
common sense questions they posed them to the businesspeople publishers and politicians who
championed tests they also posed them to the school administrators teachers and union leaders
who criticized them this book examines the questions the parents posed the answers they elicited
and the changes they prodded

the anti testing movement now has a guidebook kamenetz shows how fundamentally american it
would be to move toward a more holistic system new york times book review the test is an
essential and critically acclaimed book for any parent confounded by our national obsession with

standardized testing it recounts the shocking history and tempestuous politics of testing and borrows strategies from fields as diverse as games neuroscience and ancient philosophy to help children cope it presents the stories of families teachers and schools maneuvering within and beyond the existing educational system playing and winning the testing game and it points the way toward a hopeful future of better tests and happier kids
