contemporary strategic management 1st edition is an australasian adaptation of robert grant s successful text with an emphasis on competitive advantage this text provides students with an up to date and comprehensive coverage of core topics and concepts including the impact of the global financial crisis with examples from australia new zealand and the asia pacific region the text has been written in a lively and engaging manner to promote student learning and understanding consideration is given to all types of organisations including public sector organisations and steers away from an excessive focus on large organisations the text also incorporates up to date detailed cases on australasian organisations such as cascade brewery company malaysian airlines and bunnings warehouse

how the world changed social media is the first book in why we post a book series that investigates the findings of anthropologists who each spent 15 months living in communities across the world this book offers a comparative analysis summarising the results of the research and explores the impact of social media on politics and gender education and commerce what is the result of the increased emphasis on visual communication are we becoming more individual or more social why is public social media so conservative why does equality online fail to shift inequality offline how did memes become the moral police of the internet supported by an introduction to the project s academic framework and theoretical terms that help to account for the findings the book argues that the only way to appreciate and understand something as intimate and ubiquitous as social media is to be immersed in the lives of the people who post only then can we discover how people all around the world have already transformed social media in such

unexpected ways and assess the consequences

the most highly regarded resource in financial accounting has been revised and updated to prepare today's students for future career success the ninth edition of craig deegan's financial accounting features the most recent changes to the iasb conceptual framework for financial reporting and the australian accounting standards a fully revised contents a refreshed design and pedagogy in depth analysis comprehensive coverage and detailed worked examples new real world case scenarios examples boxes and videos linking theory to real world applications new opening questions at the start of each chapter with suggested solutions and revised end of chapter review questions and challenging questions
