this study is based on research on secondary textbook and school library provision in  
botswana cameroon cote d ivoire ghana kenya malawi rwanda tanzania and togo as well as  
existing recent country reports on textbook provision and an extensive desk research

considerable variations exist in sub saharan african textbook requirements needed to meet secondary curriculum specifications just as significant differences exist between and within countries in regard to the average price of recommended textbooks some countries have no approved textbooks list this world bank working paper aims to discuss the textbook situation in sub saharan africa with a special focus on secondary textbook availability cost and financing distribution and publishing and the status of school libraries its objective is to analyze the issues in secondary textbook and school library provision and to provide some options and strategies for improvement

the diversity education literature both nationally and internationally is broad and diffuse consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals american citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead with continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in u s education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the k 12 and postsecondary levels with about 700 signed entries with cross references and recommended readings the encyclopedia of diversity in education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels diversity is a worldwide phenomenon and while most of the entries in the encyclopedia will focus on the united states diversity issues and developments in nations around the world including the united states are intricately connected consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity from a to z this encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education this four volume reference work will be the definitive reference for diversity issues in education in the united states and the world

first published in 1985 the handbook for achieving gender equity through education quickly established itself as the essential reference work concerning gender equity in education this new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting u s national data on the gains and losses in the efforts to advance gender equality through policies such as title ix the landmark federal law prohibiting sex discrimination in education equity programs and research key features include expertise like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education content area focus the analysis

of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering global diversity focus global gender equity is addressed in a separate chapter as well as in numerous other chapters the expanded section on gender equity strategies for diverse populations contains seven chapters on african americans latina os asian and pacific island americans american indians gifted students students with disabilities and lesbian gay bisexual and transgender students action oriented all chapters contain practical recommendations for making education activities and outcomes more gender equitable a final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education new material expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women s and gender studies communication skills relating to english bilingual and foreign language learning and history and implementation of title ix and other federal and state policies since there is so much misleading information about gender equity and education this handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers title ix coordinators equity trainers women s and gender study faculty students and parents

provides information about a wide range of curricular issues affecting elementary and high school education exploring methodological and conceptual issues looking at the forces that shape the curriculum studying the impact of the curriculum on special groups of students and discussing conventional subjects like reading and math
