the third edition of this widely adopted textbook has been thoroughly revised and offers an authoritative and up to date coverage of the key theories concepts and issues in social policy the lively and readable text has been designed to provide students with the essential tools to gain a clear understanding of the theoretical debates surrounding the discipline the book is organized into three parts part one

offers a detailed but accessible critique of major theoretical approaches such as neo liberalism marxism feminism and racism part two explores conceptual debates such as distributive justice and postmodernism part three engages with contemporary social policy issues such as children pensions and the role of new labour it also features newly commissioned chapters to reflect recent developments and current debates within social policy new areas of consideration include citizenship post structuralism the politics of food globalization student exercises and reading lists feature throughout the text and practical examples are skilfully used to illustrate conceptual and theoretical material making it the ideal core textbook for undergraduate social policy students as well as those studying related welfare modules across the social sciences

how do human societies provide for the wellbeing of their members how far can we organise the ways in which we care for and about each other and who should take responsibility for providing the support we all need these are some of the fundamental questions addressed by social policy today in this short introduction suitable for students at any level hartley dean explains the extraordinary scope and importance of social policy he explores its foundations and contemporary significance the principal issues it addresses and their diverse economic political and sociological dimensions and concludes by looking at the fundamental challenges facing social policy in a dramatically changing world taking an innovative approach to social policy as the study of human wellbeing hartley dean examines the ways in which governments and peoples throughout the world attend to promote neglect or even undermine the things that make life worth living these include essential services such as healthcare and education the means of livelihood such as jobs and money and vital but sometimes intangible things such as physical and emotional security some of these are organised by governments and official bodies others are provided by businesses social groups community organizations neighbours and families trying to understand all these elements which together constitute human wellbeing is the stuff of social policy

what are social policies how are social policies created and implemented why do certain policies exist the fourth edition of this highly respected textbook provides a clear and engaging introduction to social policy the book has been thoroughly updated to include changes in social policy introduced by the coalition government incorporation of an international perspective throughout as well as a new chapter the global social policy environment updated pedagogy to stimulate thought and learning comprehensive glossary social policy is essential reading for students beginning or building on their study of social policy or welfare the wide ranging coverage of topics means that the book holds broad appeal for a number of subject areas including health social policy criminology education social work and sociology

this textbook has always been a useful teaching resource because it combines substantial and engaging analysis with stand alone extracts the new edition adds a chapter on global social policy updates on the coalition government and guides to what is in the book the added activities are well thought out and can be adapted or expanded to suit the needs of particular students hedley bashforth teaching fellow in social policy university of bath uk social policy an introduction now in its fourth edition and eleventh year will remain a core social policy text on reading lists across the country due to its well written and comprehensive nature completely revised it has been updated and extended to reflect contemporary developments in social policy including the policy implications of the coalition government and now includes a chapter on global social policy environments reflecting the continued internationalisation of social policy debates updated pedagogical features which include activities for the reader learning outcomes at the start of each chapter and detailed case studies throughout enhance this thought provoking and stimulating text dr liam foster university of sheffield uk this book provides as it states an introduction to the field and does so by adopting a highly attractive pedagogic style that evidences at every turn a sensitivity to the approaches to learning of contemporary students although it is tailored to meet the needs of primarily first year specialist students it is equally suitable for those on other programmes who are taking an option in social policy because the book anticipates theoretical issues and debates and students will confront as they progress to a more advanced level it will also retain value as be a longer term reference resource i will certainly be citing it on a second year core course i teach it is immediately clear that a great deal of thought has been invested into designing this book what blakemore and warwick booth have produced is a clearly laid out and well structured analysis of impressive breadth that is a readily accessible learning instrument both for student and teacher importantly it provides numerous opportunities to experiment with new ways of approaching the teaching of the subject each chapter sets out clearly expressed learning outcomes with a fair balance of theoretical and empirical concerns visual displays in box material graphs and flow charts provides a most effective means for absorbing the large amount of ground covered there is good incorporation of statistical material and up to date policy developments students are also encouraged to exploit useful links to internet and other media sites particularly attractive from a teaching point of view are the range of tasks set for the students which are aimed clearly at rapid capacity building chapters end by listing the key terms and concepts addressed to aid revision of material this is repeated in the glossary at the end of the book most of the materials are derived from the british context but there is also a secondary focus on eu member states and beyond as well as a good chapter on global social policy steen mangen department of social policy london school of economics and political science uk

the book contains conceptual analytical essays on social development development and social policy also there are essays which deal with the empirical aspects of social welfare manpower and poverty in india along with various theoretical approaches in critical perspective the last essay is a comprehensive holistic overview of india s developmental planning and provides an empirical check on the definitions of development and social development discussed earlier

a practical guide to the growing influence of women on parliamentary legislation across the commonwealth and includes a study of how women s rights are promoted

a timely examination of social policy through a social constructivist and economic lens social policy and social change illuminates the root causes of common social problems and how policy has attempted to ameliorate them in so doing the book focuses on how social policies in the united states can be transformed to promote social justice for all groups the book uniquely offers both an historical analysis of social problems and social policies and an economic analysis of how capitalism and the market economy have contributed to social problems and impacted social policies the book goes beyond the u s borders to examine the impact of globalization in the united states and in the global south it considers the meaning and impact of the election of barack obama as president of the united states and explores the policy solutions his administration has proposed to deal with the economic recession of 2008 2009 the book also discusses social workers as agents of social change and advocates of social and economic justice it examines five key realms poverty in families and the welfare system poverty among the elderly and social security child maltreatment and child welfare policy health and mental health policy and housing policy social policy and social change is a primary text for social policy social welfare policy courses in msw programs and possibly some higher level bsw programs it will be supplemented with a comprehensive ancillary program including a test bank instructor s manual and student website

the handbook of social policy is an attempt to document the now substantial body of knowledge about government social policies that has been accumulated since the study of social policy first emerged as an organized field of academic endeavor about 50 years ago the second edition offers a more streamlined format to make the book more consistent with the way most instructors teach their courses this text is a comprehensive yet accessible introduction to a vast field of endeavor that has over the years made a significant difference to the lives and the well being of the people of the united states

strong social policy is essential for sustainable growth this book is an extremely useful overview of social policy issue for policy makers and anyone who wants to

understand the true roots of successful sustainable development ian johnson vice president for sustainable development the world bank throughout the world issues of social development have now taken centre stage there is no more comprehensive and readable guide to the choices and conflicts of this global drama this book is essential reading for all students and practitioners of social development and for every world bank economist david piachaud professor of social policy london school of economics this much needed textbook fulfils a major gap in providing a complete up to date guide and introduction to the increasingly important role of social policy in the context of development processes and practice across a number of key sectors and areas of social policy concern the authors accessibly introduce and explain the main conceptual debates the most recent policy discussions and provide applied examples to illustrate the latest developments in the social policy and planning field central topics covered include poverty rural development urban development education health social work social welfare international development and cooperation social policy for development is an essential text for all students and practitioners alike seeking a deeper understanding of the issues of poverty social exclusion and deprivation across social policy and development studies internationally

the second edition of social policy and social change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them the new edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them with a focus on how domestic social policies can be transformed to promote social justice for all groups jimenez et al consider the impact of globalization in the united states while addressing developing concerns now emerging in the global village
