everett worthington provides a christian perspective and biblically based theory of marriage and marriage counseling with an analysis of the individual the couple and the family everett uses techniques drawn from several psychological schools of thought combined with solid biblical principles to help guide counselors through the process of intervention assessment and implementation of methods for change

now available in paper for the first time this classic work presents a structured rigorously tested six stage strategy for improving intimate relationships therapists and counselors will benefit from practical step by step guidance for deciding how why and when to employ such

widely cited stuart techniques as caring days communication improvements behavioral contracting the powergram procedure for decision making and conflict containment these techniques not only provide a program for identifying and producing positive behavior change but give the therapist the tools to assess therapeutic outcome and empirically validate the efficacy of change a new preface to the paperback edition situates the book within the contemporary couple therapy landscape and reflects on the continuing evolution of the author's approach

an updated and complete guide to the practice of fertility counseling exploring unique and diverse challenges in reproductive patient care

this up to date highly readable theory based and application oriented book fills a crucial void in literature on couple therapy few books in the couple therapy market bridge the gap between theory and practice texts tend to lean in one direction or the other either emphasizing theory and research with little practical application or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base however couples therapy requires a high degree of abstract conceptual thinking as well as ingenuity inventiveness and skill on the part of the therapist case studies in couples therapy blends the best of all worlds clinical applications with challenging and diverse couples that have been derived from the most influential theories and models in couples and family therapy all written by highly experienced and respected voices in the field in case studies in couples therapy readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are applied in the work of well known clinicians the case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations it is simultaneously narrow including specific processes and interventions applied with real clients and broad clearly outlining a broad array of theories and concepts in scope and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow and each chapter's thorough descriptions of effective practical interventions will give readers a strong sense of the connections between theory and practice

the ultimate guide to marriage mentoring so you can feel confident in offering wisdom encouragement and practical help to couples who want to live out a love that lasts drs les and leslie parrott and dr david olson renowned marriage experts and founders of the two largest marriage support organizations symbis and prepare enrich share what they have learned from decades of research involving more than five million couples packed with practical and proven methods data driven techniques and immediately usable strategies helping couples includes the secrets and the science behind couples who thrive with lasting love why romantic love is never enough and what to do about it strategies to instantly help reduce conflicts and increase intimacy the game changing boost that scientific assessment tools give couples at any age or stage four common myths about marriage and how to debunk them the distilled wisdom from hundreds of insightful surveys and studies how you can reduce a couple's chances of divorce by 31 percent the ultimate guide for coaches counselors and clergy who want to

know what really works

whether a couple is simply in a rut or on the verge of divorce there are five habits that can turn things around and bring out the absolute best in any relationship drawn from years of working with thousands of couples ellie ott con nie explains how these five habits can transform a relationship in the most amazing ways using stories and exercises ellie ott demonstrates how to successfully implement the habits into one s own relationship and experience positive benefits immediately ellie ott con nie is a solution focused therapist with a private practice based in keller texas ellie ott has traveled throughout the united states and europe including the uk sweden and canada training psychotherapists to work more effectively with couples and helping couples to build more satisfying relationships to learn more about ellie ott visit [elliottspeak.com](http://elliottspeak.com)

techniques for the couple therapist features many of the most prominent psychotherapists today presenting their most effective couple therapy interventions this book provides clinicians with a user friendly quick reference with an array of techniques that can be quickly read and immediately used in session the book includes over 50 chapters by experts in the field on the fundamental principles and techniques for effective couple therapy many of the techniques focus on common couple therapy processes such as enactments communication and reframing others focus on specific presenting problems such as trauma sexual issues infidelity intimate partner violence and high conflict students beginning therapists and seasoned clinicians will find this pragmatic resource invaluable in their work with couples

in recent years there has been an increasing interest in applying the systemic ways of working developed in the context of family therapy to couples work but without a corresponding body of literature to foster and support this therefore any additions are welcome this publication benefits from an approach which makes systemic ideas comprehensible and approachable to those not familiar with them an accessible introduction sexual and marital therapy individuals within a couple relationship are asked by their partner to fulfil a multitude of needs for example for companionship security intimacy and are often expected to play a number of roles lover friend and problem solver these

this eminently practical guide presents an empirically supported approach for treating people with substance abuse problems and their spouses or domestic partners behavioral couples therapy bct explicitly focuses on both substance use and relationship issues and is readily compatible with 12 step approaches provided are all the materials needed to introduce bct implement a recovery contract to support abstinence work with clients to increase positive activities improve communication and reduce relapse risks and deal with special treatment challenges appendices include a session by session treatment manual and 70 reproducible checklists forms and client education posters the large size format and lay flat binding facilitate photocopying and enhance the book s clinical utility

when a couple enters therapy both partners have either explicit or implicit understandings of what can and more importantly cannot be discussed in therapy even when empirically tested assessments are used to help pinpoint areas of concern and conflict couples may choose to identify only those areas that are relatively safe and do not seriously threaten each partner's sense of integrity and vulnerability how is a therapist supposed to proceed when a couple comes in for a tune up not realizing that their entire transmission needs to be serviced therapists know that some relationships like some transmissions can continue to function on some level even without proper care sometimes even for years before the couple seeks therapy if when they come in the therapist can help the couples to repair and regain their lost equilibrium they'll be more likely to seek help when the transmission next begins to slip in its clear precise prose insightful case studies and thought provoking discussion questions couples in collusion lays out guidelines for identifying understanding and dealing with the unspoken agreements and collusive systems that couples build up over time clinicians will find each chapter replete with concrete strategies they can use in practice as well as thorough explanations of the assessment tools suggestions on how to use them and even advice on how to build the tools costs into clinicians limited budgets

how to counsel a couple in 6 sessions or less makes it easier to counsel couples over a brief period of time but also addresses major marital issues of communication family issues decision making and more this highly practical resource for pastors or anyone in ministry can be used with the marriage checkup questionnaire or as a stand alone tool for quickly diagnosing problems and referring couples to a professional as necessary

depression is second after heart disease as the most damaging health condition in the world the nhs has devoted huge resources to training thousands of psychological therapists to work in improving access to psychological therapies services specifically to treat depression in adults and couple therapy has been identified as one of the effective ways of treating it couple therapy for depression is an integrative 20 session couple therapy designed to treat depression in couples where there is also relationship distress following the recommendations of the uk's national institute for clinical excellence for a behaviourally based couple therapy treatment it draws on rct studies of efficacy as well as best practice in behavioural cognitive emotionally focused systemic and psychodynamic couple therapies sticking closely to the competencies identified for the treatment of depression and relationship distress in couples it outlines the ways in which couple therapists can reduce damaging interactions between couples build emotional openness and closeness improve communication and behaviour change unhelpful cognitions and perceptions and help the couple cope with the ordinary and not so ordinary stresses that arise in the course of everyday relating written by couple therapists who understand deeply the unique challenges of doing therapy with couples it is based on the training programme for couple therapy for depression commissioned by the nhs for use in its improving access to psychological therapies services it begins by describing the causes and consequences of depression and then focuses on its impact on the adult couple highlighting the particular techniques needed in safe and effective work with distressed couples it goes through the different ways in which

the couple's feelings, thoughts, and behaviours need to be understood and worked with in order to reduce relationship distress. It outlines the treatment of 4 different couples to illustrate the therapy in action and will be helpful for any therapist wanting to enhance their work with couples.

Welcome to the couple therapy resources marriage go round supplement. In the first manual you were presented a system of conceptualization regarding the life cycle of a love relationship and how therapeutic intervention can take place. This second manual is intended to include supportive materials that can be used with the marriage go round system or can be used as a supplement to any other couple therapy method you are choosing to use. This manual includes handouts, assessments, worksheets, and strategies for dealing with anger, past hurts, and irritants, conflict, forgiveness, and reconciliation, and more handouts, assessments, worksheets, strategies, and exercises for all of the love expectations identified in the marriage go round assessment. Included are mantras to help each individual stay in touch with what his or her partner needs to feel loved, scriptural references for many of the love expectations, and for those interested, love expectations. All love expectations including the expectations addressed in the first manual are in this manual. Each love expectation has multiple resources to help you better address your client's issues. These tools can be used as presented or they can be adapted to your situation. There are times it is better to verbally review a strategy or what could be done using a worksheet. Everyone is different and often needs to have information presented in a variety of ways. It's up to you to adjust the resources in this manual to serve you best. Scriptural review for those who wish to include a scriptural backing to many of the issues addressed in therapy. There is a scriptural guide that you can refer to. Many people do not want to have scriptures or any religious content in their therapy. Others like or even prefer it. It's up to you to use or not use this information. In conclusion, the couple therapy resources are meant to be used to help couples understand the inevitable changes that come into their relationships, to learn new coping mechanisms, and to practice principles for a healthy relationship. The express purpose of this manual is to offer those in the counseling field some practical therapeutic aids that will practically enhance the counseling process. Best wishes as you journey with your clients towards healing and a rekindling of love in their relationship.
