written by douglas devidal contains chapter focus suggestions read and recall questions and self test questions

hilton maher selto hms addresses traditional cost concepts but makes cost accounting functional by focusing on measuring and managing costs hms maintains that costs don t just happen and with a pro active approach toward costs accountants can add value to an organization the real world approach of this text including the use of focus companies and the accompanying focus sites provides a realistic business environment and aids in student comprehension and interest in the subject

this book is an adaptation of the successful us text cost management by hilton maher and selto written specifically for an international audience major improvements include diverse and truly international examples of organizations examples used throughout the book are from all over the world and represent manufacturing retail not for profit and service firms in many different countries completely restructured and rewritten text the book has been rewritten restructured and also shortened significantly to align content closer with international courses integral use of spreadsheets spreadsheet software is used for explaining techniques and making applications more realistic in depth research summaries of international research studies that address important cost management issues have been updated and more

references to recent research findings have been added intuitive explanation of accounting the authors show directly how events impact the balance sheet and profit and loss account

the mznlnx exam prep series is designed to help you pass your exams editors at mznlnx review your textbooks and then prepare these practice exams to help you master the textbook material unlike study guides workbooks and practice tests provided by the textbook publisher and textbook authors mznlnx gives you all of the material in each chapter in exam form not just samples so you can be sure to nail your exam
