este texto está escrito para estudiantes universitarios estadounidenses que han completado dos años de estudios de lengua española se puede usar tanto en clases de estudiantes monolingües como bilingües el español y su sintaxis segunda edición como su nombre lo indica se basa en una presentación descriptiva más que prescriptiva de la sintaxis española se han empleado explicaciones simples y precisas y se incluyen muchísimos ejercicios que en esta segunda edición son aún de mayor utilidad para el estudiante tanto por su abundante número como por su calidad esta nueva edición contiene además una sección de autoexámenes diseñada para preparar al estudiante para las evaluaciones en clase después del estudio de cada sección del libro y a la vez fortalecer su comprensión del material todo esto convierte a el español y su sintaxis segunda edición en un excelente instrumento de trabajo en vez de una obra de consulta

this thoroughly updated second edition provides a clear and comprehensive overview of sociolinguistics and the pragmatics of oral communication in spanish while maintaining the same structure as the first edition it includes revised ejercicios de reflexión and new comprehension checks at the end of each chapter along with numerous bibliographic references throughout enhancing its use as a classroom text among the significant revisions are new sections on corpus linguistics and on statistical modeling programs for studying linguistic variables an expanded chapter on the study of linguistic attitudes with special attention to spanish in the united states greater attention to the relation of pragmatics to sociolinguistics including coverage of verbal politeness and forms of address and updated information on spanglish and on the teaching of spanish as a heritage language

help your students form a solid basis of the spanish language written for a one to two hour per week spanish class for students in grades 3 8 this book covers over 300 vocabulary words and short phrases most importantly this text along with the instructor s edition provides extensive practice and review so that students can return to class the following week having mastered the material topics include conjugation of verbs in the present tense sentence structure forming and answering questions in spanish telling time talking about the weather polite conversation the city the farm the home numbers to 60 the family the classroom the parts of the body and

this text highlights important issues and explores from a linguistic perspective observations frequently made by students of spanish the 24 questions that serve as chapter titles underscore important issues in both theoretical and applied linguistics pref p v

this book provides materials which will make possible a development of the language skills in this their natural and proper order listening speaking reading and writing

includes information about spanish and latin american people and their way of life

los estudios dialectales sobre el español en el continente americano han omitido casi de manera sistemática la influencia de las lenguas amerindias del portugués y del inglés en el español regional el español en américa cubre esta carencia mediante la revisión de los procesos de variación y cambio lingüístico acaecidos en el español hablado en hispanoamérica a raíz del contacto con otras lenguas los autores han bosquejado la compleja realidad lingüística de cada área resaltando los aspectos lingüísticos y sociolingüísticos que obedecen en última instancia al contacto de lenguas esta perspectiva permite una descripción de conjunto rigurosa y metódica de las situaciones de contacto lingüístico inédita hasta el momento que será de obligada referencia para estudiantes e investigadores que quieran abundar en el estudio del contacto de lenguas en el ámbito hispano

the book is comprehensive structural review of the spanish language for bilingual college students it can be used as either an elementary or an intermediate textbook depending on students level of linguistic competency while these bilingual

students are usually effective in oral communication in spanish within their communities they often have little knowledge of the written forms we have chosen to use a structuralist approach to grammar as our experience in teaching hispanics has shown that the use of grammatical terminology need not be considered an obstacle for the learner we think that hispanics are already familiar with the use of verbs and therefore do not need to study them at the very beginning the book is a general book in the sense that it can be used with any group of spanish speakers regardless of their origin chicanos puerto ricans cubans etc this is not a self teaching textbook since it requires a cooperative combined effort from both the instructor and the student pref
