deals with the power of the kingdom of god it touches on issues like keys that make the kingdom function the present and future reality of the kingdom and the original message and purpose of jesus

the secret of the kingdom of god is a systematic and comprehensive view of the kingdom of god which introduces a coherent and unifying model organized around the aspects of the kingdom found in scripture it provides a working definition of the kingdom and offers abundant cross referencing of bible verses throughout this is not just another book on the kingdom of god how is it different most christian books on the kingdom focus on a particular aspect such as the millennium or on a certain portion of the kingdom as seen in the gospel of matthew for example authors who do cover more ground usually fail to present a systematic and more comprehensive view the reader generally comes away with a handful of confusing loose ends and without a working knowledge of how it all comes together the secret of the kingdom of god answers questions about the nature of the kingdom how to enter the kingdom why studying this subject is so important and much more finally a book about the kingdom of god that brings all the different aspects together in one volume a book that helps the reader fit the pieces together stand back and see the big picture it s time every believer become well acquainted with this subject since the kingdom of god is the central theme of the bible and has everything to do with who we are where we came from and where we

are going

this book contains eight chapters on the various aspects of the kingdom in relation to the believers and two chapters on the appearance and the manifestation of the kingdom

after proclaiming that god s kingdom had come near jesus died on the cross this is hard to reconcile with what jesus announced at the start of his ministry it can only be understood when we realize the relationship between the kingdom of god and his death jesus said flesh and blood can t inherit the kingdom of god but only those who are born of the sprit and for this reason jesus had to die on the cross jesus explained this to nicodemus that only those who are born of the holy spirit can enter into the kingdom of god he came into the world to make it happen because without the cross of jesus there is no fulfillment of the kingdom the proclamation of jesus his works and his life have strong bearing on his mission jesus proclaimed that the kingdom of god had come near he healed the sick fed the hungry and gave hope to the poor he lived a very basic life with his disciples and had no earthly possessions this was the kingdom that jesus proclaimed it gave the power back to the people it gave them dignity and a life of joy and contentment it was about the wellbeing of the whole community and where the leaders served others jesus explained the mysteries of his kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now it was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days jesus explained everything to them as recorded in the book of acts he instructed them to remain in jerusalem till they were baptized by the holy spirit their empowerment which is usually understood in terms of peter s bold preaching of the gospel was in fact more than that it was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where god lived with them and looked after their daily needs spiritual as well as material this was a very bold step for them to take it was more daring than standing up to preach before a large crowd on the day of the pentecost the first church in jerusalem became a place where god s kingdom had come they rejoiced together as they shared everything and god did mighty works among them this would not have been possible if they hadn t left their own families and possession to join the new community of god s people the church lost the initial impetus that the early christians had in the way they lived and preached the good news of the kingdom

especially during the post constantine period when the church leaders were seduced by the wealth that came from the state treasury the way jesus the apostles and the early christians had lived was completely forgotten or overlooked the sixteenth century reformation tried to recover some of the important aspect the christianity but it did not go far enough at present the church has become its own worst enemy some churches are trying to destroy the very foundation of our salvation by denying the existence of historical jesus in others the faith in jesus has failed to translate into a living reality it judges the world harshly and does not reflect the values of god s kingdom in its daily life we need to reaffirm the apostolic faith and the community life of the early church and become a community of god s redeemed people who follow the principles of his kingdom this is the true life and witness of the church

the phrase kingdom of god has become a recent catch phrase in churches today unfortunately while many people say the kingdom of god very few really understand how to practically live as a kingdom citizen many people have been trapped in the church and church traditions and now are seeking to sincerely understand the kingdom of god well introducing the kingdom will give you a basic ethos and practices of kingdom citizens dr carson has stepped into the kingdom in this book you will learn what it means for god to be the one true king in your life you will never wonder again whether are seeking first the kingdom of god and his righteousness you will know
