barefoot doctor presents the essential guide to surviving and thriving amid the growing pressures of modern urban life here barefoot doctor teaches for the first time in a hip and accessible way how to focus your mind channel your energy and strengthen your spirit

this book is not a nostalgic tribute to militants of a distant past but a source of inspiration for revolutionary politics in a time that needs them as much as ever in the early 1970s across the americas and western europe armed groups emerged out of the social movements of the late 1960s in germany the red army faction received most attention but a less well known antiauthoritarian counterpart operated in its shadows the 2nd of june movement named after the date when in 1967 a berlin cop killed the unarmed student benno ohnesorg during a demonstration the group was composed of working class youth who got politicized in berlin s underground culture they first emerged as a political collective under the name hash

rebels before forming the 2nd of june movement as a revolutionary organization after the group s dissolution in 1980 its principles lived on in the militant network of the revolutionary cells and the german autonomist movement from hash rebels to urban guerrillas the first book to present the 2nd of june movement in english documents the group s history and politics through translations of original documents and reflections by former members this is mandatory reading for anyone interested in the politics of the era and the ongoing quest to challenge the rule of the state and capital

describes daily life in the aztec world including coverage of geography foods trades arts games wars political systems class structure religious practices trading networks writings architecture and science

teacher and student materials for use in grade 5 part of a comprehensive reading curriculum set for classroom use
