reprint of the original first published in 1883 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

this detailed commentary on the action and argument of sophocles antigone is meant to be a reflection on and response to hegel s interpretation in the phenomenology vi a a b it thus moves within the principles hegel discovers in the play but reinserts them into the play as they show themselves across the eccentricities of its plot wherever plot and principles do not match there is a glimmer of the argument haemon speaks up for the city and tiresias for the divine law but neither for antigone the guard who reports the burial and presents antigone to creon is as important as antigone or creon for understanding antigone the chorus too in their inconsistent thoughtfulness have to be taken into account and in particular how their understanding of the canniness of man reveals antigone in their very failure to count her as a sign of man s uncanniness she who is below the horizon of their awareness is at the heart of their speech megareus the older son of creon who sacrificed his life for the city looms as large as eurydice whose suicide has nothing in common with antigone s she is all mother antigone is anti generation
