this edited volume examines the challenges of globalization in light of the need to revisit and reconceptualize the notion of pan africanism the first part of the book examines globalization and africa s socioeconomic and political development in this century by using the diopian pluridisciplinary methodology this approach is imperative because the challenges faced by africa vis à vis globalization and socioeconomic development are so multiplexed that no single disciplinary approach can adequately analyze them and yield substantive policy recommendations the chapters in the second part analyze the imperatives for africa s global knowledge production development and economic transformation in the face of the pressures of globalization part two demonstrates an urgent need for africa s significant participation in the global knowledge economy in order to meet the continent s modern transformation and development aspirations the final part examines lessons from old and new pan africanism and how they can be utilized to deal with the challenges emanating from the forces of modern globalization with its multidisciplinary approach to a wide range of pressing modern issues for the african content this book is essential reading for scholars across the social sciences interested in where africa is now and where it should go in this increasingly globalized world

south africa is the most industrialized power in africa it was rated the continent s largest economy in

2016 and is the only african member of the g20 it is also the only strategic partner of the eu in africa yet despite being so strategically and economically significant there is little scholarship that focuses on south africa as a regional hegemon this book provides the first comprehensive assessment of south africa s post apartheid foreign policy over its 23 chapters and with contributions from established africa western asian and american scholars as well as diplomats and analysts the book examines the current pattern of the country s foreign relations in impressive detail the geographic and thematic coverage is extensive including chapters on the domestic imperatives of south africa s foreign policy peace making defence and security bilateral relations in southern central west eastern and north africa bilateral relations with the us china britain france and japan the country s key external multilateral relations with the un the brics economic grouping the african caribbean and pacific group acp as well as the eu and the world trade organization wto an essential resource for researchers the book will be relevant to the fields of area studies foreign policy history international relations international law security studies political economy and development studies

the performance of international courts has traditionally been judged against criteria of compliance and effectiveness whilst these are clearly desirable objectives for litigants before africa s international courts this book shows that we must look beyond these criteria to fully appreciate the impact of these courts this book shows how litigants use their participation in international litigation to achieve other objectives to amplify political disputes with their governments to build their movement to educate the public about their cause and to challenge the status quo chapters in this collection show how these courts act as coordination points for opposition political parties to name and shame dominant parties for violation of their organizational rights others demonstrate how africa s international courts serve as transitional justice mechanisms in which truth telling about ongoing conflict and authoritarian governance receives significant attention this attention serves as a platform to galvanize resistance against continued authoritarian rule especially from outside the conflict countries ultimately the book shows that these courts must be judged against new and broader criteria and understood as increasingly important venues for waging political social environmental and legal struggles

bringing together leading experts and scholars from around the world this handbook provides a comprehensive overview of the latest theories and research on intercultural competence it will be a useful and invaluable resource to administrators faculty researchers and students
