providing an introduction to the theory and practical basics of spiritual and psychic development this book includes a number of relevant
exercises

face2face second edition is the flexible easy to teach 6 level course a1 to c1 the advanced teacher's book offers detailed teaching notes for every lesson keys to exercises and extra teaching tips it provides a whole host of photocopiable worksheets including class activities vocabulary plus help with listening and unit by unit progress tests there is also a comprehensive map of the student's book content to the cefr and a photocopiable guide to the student's book dvd rom the accompanying free teacher's dvd has all the video for classroom presentation to use with the student's book bank of video worksheets as well as the entire content of the teacher's book in pdf format

the self study pack with dvd rom offers exposure to authentic natural english a self recording and playback tool for pronunciation practice extra explore writing tasks over to you exercises allowing you to personalise your language practice customisable quickcheck tests to monitor progress publisher

completely rewritten and redesigned for the new version of frontpage this edition contains detailed scenarios that guide readers through the process of creating sites that range from personal to corporate

this book addresses the key role of phraseology in second language acquisition and instruction it is divided into three main sections extracting and describing phraseological units investigates the role played by native and learner corpora in the extraction and description of multiword units two initial and crucial steps in informing language pedagogy learning phraseological units deals with the learning aspect an oft neglected yet essential dimension of phraseology in second foreign language pedagogy this section also addresses issues in new literacies and recording and exploiting phraseological units focuses on pedagogical tools notably monolingual and bilingual dictionaries and textbooks this stimulating collection presents cutting edge research in the field and identifies major avenues for future theoretical and applied work it is of particular relevance to researchers and teachers interested in the patterned nature of language

lesson per page structure which is easy to use and saves valuable preparation time teen interest topics and personalized activities appeal to young learners every lesson has an outcome i can statements at the top of each page build confidence by showing students what they will progressively achieve speaking is integrated into all lessons to give students constant opportunities to speak students get masses of practice from the student's book workbook multirom photocopyables and the student's website build your students confidence and improve their exam grades through an exam page at the end of every unit and an interactive practice test on oxfordenglishtesting.com

the articles in this edited volume represent a broad coverage of areas they discuss the role and effectiveness of corpora and corpus linguistic

techniques for language teaching but also deal with broader issues such as the relationship between corpora and second language teaching and how the different perspectives of foreign language teachers and applied linguists can be reconciled a number of concrete examples are given of how authentic corpus material can be used for different learning activities in the classroom it is also shown how specific learner problems for example in the area of phraseology can be studied on the basis of learner corpora and textbook corpora on the basis of learner corpora of speech and writing it is further shown that even advanced learners of english are uncertain about stylistic and text type differences

total english is a new course for young adults and adults it provides solutions to the challenges teachers and students face every day with a complete package of effective easy to use resources
