two main criteria have guided the selection and presentation of the material for this text book firstly there is the claim that sociology is a science throughout the emphasis has been on presenting sociological perspectives rather than conveying a mass of factual information science is essentially analytical and sociology if it is to justify its claim to be a science must be more than simply political arithmetic counting heads and providing demographic data for governments secondly science like other intellectual activities can be exciting the emphasis throughout is on the sociological study of industrial society with particular reference to modern england after an introductory discussion of sociological perspectives there are chapters on each of the major sub systems of society the family the educational system the economy the political system and belief systems the book ends with three chapters on major social processes social differentiation and stratification organization and finally social change including a discussion of deviancy and disorganization

this best selling text offers an integrated social science view of the world emphasizing that social and cultural change are the pervasive realities of our era one of the main themes of contemporary society is that the transition from an industrial to a post industrial order in the modern world is

fraught with difficulties as was the transition from an agricultural to an industrial order in an earlier era within this framework we can observe the increasing fragmentation of the social order which tends to lead people away from community and a common purpose and often invites conflict and disunity at the same time countervailing social forces are also at work providing some stability some shelter in the storm finally societies are faced with the rapid and transformative power of information technology a fact that propels separate groups of people into a global entity

first published in 1998 routledge is an imprint of taylor francis an informa company

this concise elegantly written paperback volume on the essential elements of sociology is perfect as the sole textbook for a brief introductory course or as a core text to be supplemented with other readings

excerpt from an introduction to the study of society although this book is the first of its kind the demand for it has been created by earlier american expounders of social relations a syllabus of sociological method printed in 1889 for the use of his students by one of the authors of this manual was mentioned by president e b andrews in a widely circulated article upon the literature of sociology from the terms in which numerous readers of the article requested copies of the introduction it was apparent that interest in scientific exposition of society was more general than the author had supposed it is impossible to apportion credit for the new social impulse in the united states but it is fair to say that the sources of influence most frequently mentioned in the correspondence referred to were the writings of dr samuel w dike professor richard t ely and professor franklin h giddings during the last five years attention to specific social problems has become more general and at the same time there has arisen an effective demand for guidance in the investigation of sociological as distinguished from social problems conspicuous among the signs and agencies of this change have been the introduction to social philosophy by mr j s mackenzie two papers by professor giddings the province of sociology published in 1890 and sociology as a university study which appeared in 1891 the sociological department of the andover review under the editorial direction of professor now president tucker and the writings of professor lester f ward about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Thank you extremely much for downloading
