the lloyd s register of shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification before the time only those vessels classed by lloyd s register were listed vessels are listed alphabetically by their current name

forty years after the bangkok declaration which established the association of southeast asian nations asean a new document was drafted as a result of bold and visionary recommendations of an asean committee of eminent persons the asean charter which came into force in 2008 provides asean s legal status and institutional framework in effect it is a legally binding agreement among the 10 asean member states in many respects however the charter is more important as an aspirational document written by one of the persons involved in the negotiations leading to the

adoption of the charter this meticulously researched publication helps readers navigate the ambiguities of the charter by detailing an insider's background provision by provision of the debates that went into the making of the asean charter it not only explains how the provisions of the charter came to be drafted but also how they relate to the realities of diplomatic practice this volume will be an indispensable reference for scholars working diplomats and businesses and institutions that have a stake in asean the asean charter is a commitment for us to become a rules based community it is time for us especially the weaker countries among us to be ruled by law rather than by political whim national interest or military power walter woon's work will be a major contribution to that end rodolfo c severino former secretary general of asean 1998 2002 prof walter woon and i represented singapore in the high level task force which drafted the asean charter he is the ideal author for such a commentary on the charter this should be read by everyone interested in asean tommy koh ambassador at large ministry of foreign affairs singapore
