drawing on new archival documents and interviews this book demonstrates the evolving role of international politics in

olympic security planning olympic security concerns changed forever following the terrorist attack on israeli athletes at the 1972 munich olympic games the international olympic committee's ioc choice to ignore security after the attack in munich left individual olympic games organizing committees to organize fund and provide security for the major international event future olympic hosts planned security amidst increasing numbers of international terrorist attacks and with the cold war in full swing for some olympic hosts olympic security now represented their nation's largest ever military operations by the time the ioc made security more of a priority in the early 1980s the trends in olympic security were set for the future

when one talks about the game of hockey the name of k d singh babu leaves all others behind the final whistle covers his life on and off the field right from his early days he was a hockey player who had no parallel this biography is all about what went through his life a life full of dramatic events no hockey player in the world caught the attention of sports critics as he did he had magic in his stick and most often sports commentators were at a loss of words to describe his superlative game his game was a commentator's delight when unable to describe his wizardry a sports reporter could only express but the best brains of the fbi if enlisted would have been unable to put manacles on this all time great inside forward former new zealand captain c v walter was more candid when he wrote so great was babu that not even the umpires could stop him desperately hard though they tried at times the mere news of his participation in any match used to spread like wildfire and fans would rush and swarm the arena to see him play right from 1937 when he made his first public appearance he dominated the headlines for more than twenty years he was the main architect of the 1948 and 1952 olympic golds and in recognition of his wizardry he was awarded the coveted world helms trophy for being the best athlete of asia and best hockey player of world he was the first indian to be honoured so he was a multi talented sportsman and a big game hunter who knew the ways of a tiger as well as how to pierce through a packed defense likened to the great magician harry houdini for his great escapes through tightest rings of defenders the final whistle is a graphic narration of his unbelievable game that dazzled world opponents

this book traces the entire trajectory of the farmers movement in western india especially maharashtra from the 1980s to the present day it reveals the fundamental contradictions between populism as an ideology and as political power within the democratic state structure the volume highlights the ideologies of the movement its emergence in the wake of a perceived agrarian crisis how it conflates economics and populism the role of leadership stages of development from grassroots

agitations rooted in civil society to the attempts to create space within structures of democratic politics the eventual formation of a separate political party and consequent implications it maps the linkages between populist ideology and mass participation and their contested successes and failures in the domain of electoral politics further the author underlines the effectiveness of the movement in addressing class and gender equations in the region rich in primary archival sources and informed field studies this book will interest scholars and researchers of agrarian economy rural sociology and politics particularly those concerned with social movements in india

the olympic movement including the relevant records and statistics provides a unique prism to understand the complex evolution of modern indian society drawing on hitherto unused archival sources this book examines the relations between india s place in the olympic movement and the country s quest for a national and international identity

this book critically engages with the study of theatre and performance in colonial india and relates it with colonial and postcolonial discussions on experience freedom institution building modernity nation subject not only as concepts but also as philosophical queries it opens up with the discourse around indian theatre that was started by the orientalist in the late 18th century and which continued till much later the study specifically focuses on the two major urban centres of colonial india bombay and calcutta of the 19th and early 20th centuries it discusses different cultural practices in colonial india including the initiation of indian theatre practices which resulted in many forms of colonial native theatre by the 19th century the challenges to this dominant discourse from the swadeshi jatra national jatra theatre in bengal which drew upon earlier folk and religious traditions and was used as a tool by the nationalist movement and the indian people s theatre association ipta that functioned from bombay around the 1940s which focused on the creation of one national subject that of the indian the author contextualizes the relevance of the concept of indian theatre in today s political atmosphere she also critically analyses the post independence drama seminar organized by the sangeet natak akademi in 1956 and its relevance to the subsequent organization of indian theatre many theatre personalities who emerged as faces of smaller theatre committees were part of the seminar which envisioned a national cultural body this book is an important contribution to the field and is of interest to researchers and students of cultural studies especially theatre and performance studies and south asian studies
