this fascinating book provides a detailed history of one of the most famous and controversial firearms manufacturers and its products smith wesson founded in 1852 by two men horace smith and daniel b wesson who shared a dream of developing a new type of firearm their ideas moved firearms manufacturing out of the muzzle loading era that had dominated the industry since the invention of the hand cannon in the 14th century complete with more than 200 full colour photographs this stunning book describes the range of smith wesson firearms in detail and features cutaway drawings to show the mechanisms along with detailed technical evaluations as well as being of interest to enthusiasts and historians it will be an excellent reference work and an invaluable guide for collectors

thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in american life the landmark 2002 edition of guns in american society an encyclopedia of history politics culture and the law was acclaimed for helping readers get beyond the sometimes overheated

rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition with over 100 new entries the latest edition of guns in american society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more with expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

the revised third edition of the landmark guns in american society provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the united states guns in american society an encyclopedia of history politics culture and the law is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in america past and present the encyclopedia draws on a vast array of research in criminology history law medicine politics and social science it covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns many of these entries place the topics in both historical and cross cultural perspective

tragedy in aurora is about the 2012 murder of budding sports journalist jessica jessi redfield ghawi in a public mass shooting and the widening circle of pain it inflicted on her family friends police medical first responders and others the book is at the same time a deep examination of the causes and potential cures of the quintessential 21st century american sickness public mass shootings at the heart of that examination is an unpacking of america s deep polarization and political gridlock it addresses head on the question of why why is american gun violence so different from other countries why does nothing seem to change the parkland kids inspired hope of change but the ultimate questions stubbornly remain what should what can and what will americans do to reduce gun violence tragedy in aurora argues that the answer lies in a conscious cultural redefinition of american civic order over recent decades america has defined a cultural new normal about guns and gun violence americans express formalistic dismay after every public mass shooting but many accept gun violence as an inevitable even necessary and to some laudable part of what it means to be american although americans claim to be shocked with each new outrage so far they have failed to coalesce around an effective way to reduce gun death and injury the debate is bogged down in polarized and profoundly ideological political and cultural argument meanwhile america continues to lead the globe in its pandemic levels of gun deaths and injuries combined with the cynical learned helplessness of its politicians the result is gridlock and a growing roll of victims of carnage is there a path out of this cultural and political gridlock tragedy in aurora argues that if america is to reduce gun violence it must expand the debate and confront the fundamental question of who are we tom diaz gives a new understanding of american culture and the potential for change offered by the growing number and ongoing organization of victims and survivors of gun violence without conscious cultural change the book argues there is little prospect of effective laws or public policy to reduce gun violence in general and public mass shootings in particular

from schofield revolvers to m p ar 15s for more than 150 years smith wesson has turned out some of the world s most desirable firearms gun digest is ready to arm shooters with the tools they need to know appreciate and add more of the iconic guns to their collections the newly updated standard catalog of smith wesson 4th edition is the industry s most comprehensive guide to the well respected manufacturer s firearms at the heart of the reference are price listings for nearly 800 models of smith wesson covering its revolvers semi auto pistols shotguns rifles military arms and other collectibles author jim supica and richard nahas have turned to the most trusted sources in the industry to provide the most current and accurate values for each model across 6 condition grades this is the sort of market advantage that nets collectors the guns of their dreams while keeping more of their hard earned cash in their pockets and with 144 new pages added since the last edition the book covers even more smith wesson models than ever before the standard catalog of smith wesson 4th edition is more than a price guide it is also an unparalleled identification reference the volume brims with more than 300 detailed full color photographs making figuring out which firearm is which a snap the images are enhanced by supica and nahas comprehensive written descriptions which include vital information about variations to each model as well as a concise history of the firearm at hand publisher s description

the story of smith wesson handguns and their evolution is one of the hallowed tales of american firearms history according to the firearms writer jim casada anyone who collects smith wessons or is simply interested in their backstory will cherish this book though originally published in 1945 more than half a century ago smith wesson hand guns remains the source for smith wesson enthusiasts it is an authoritative reference and has remained for over five decades the cornerstone upon which smith wesson research rests this work is foundational supported by sixty three detailed illustrations showing the handguns the unique hammer mechanism and facsimile reproductions of vintage advertising copy the first twenty

four chapters of the book which tell the story of smith and wesson and the development of smith wesson handguns are very informative after the reader becomes familiar with smith and wesson s history together as well as their creation of a business illustrations exhibiting smith wesson handguns will show rather than tell of their magnificence finally descriptions of different caliber guns are given where readers will gain invaluable information regarding smith wesson handguns for any smith wesson enthusiast or collector this work is impossible to put down

private gun ownership for self defense remains a major personal and public issue in the united states driven by concerns about crime vulnerability and a range of ideological factors including race and gender as media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as rape prevention kits this book explores the changing gendered aspects of gun ownership can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms gender and firearms my body my choice my gun examines the directions taken in the public debate on weaponisation in the united states considering the role of women in the politics of gun safety and gun control the book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on the relationship between gender violence risk and vulnerabilities thus opening up critical new debates surrounding identity performance gender and risk in contemporary societies as such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in

gender embodiment risk crime and violence

turns the familiar story of trafficking across the us mexico border on its head looking at firearms smuggled south from the united states to mexico and their ricochet effects american guns have entangled the lives of people on both sides of the us mexico border in a vicious circle of violence after treating wounded migrants and refugees seeking safety in the united states anthropologist ieva jusionyte boldly embarked on a journey in the opposite direction following the guns from dealers in arizona and texas to crime scenes in mexico an expert work of narrative nonfiction exit wounds provides a rare intimate look into the world of firearms trafficking and urges us to understand the effects of lax us gun laws abroad jusionyte masterfully weaves together the gripping stories of people who live and work with guns north and south of the border a mexican businessman who smuggles guns for protection a teenage girl turned trained assassin two us federal agents trying to stop gun traffickers and a journalist who risks his life to report on organized crime based on years of fieldwork exit wounds expands current debates about guns in america grappling with us complicity in violence on both sides of the border

the dream of horace smith and daniel wesson to develop a firearm capable of firing repeatedly without the annoyance of reloading transformed the firearms industry this title contains technical evaluations on every firearm produced by smith and wesson from the mid 19th century
