in search of soul explores the meaning of soul in sacred and profane incarnations from its biblical origins to its central place in the rich traditions of black and latin history surveying the work of writers artists poets musicians philosophers and theologians alejandro nava shows how their understandings of the soul revolve around narratives of justice liberation and spiritual redemption he contends that biblical traditions and hip hop emerged out of experiences of dispossession and oppression whether born in the ghettos of america or of the roman empire hip hop and christianity have endured by giving voice to the persecuted this book offers a view of soul in living color as a breathing suffering dreaming thing

essential reading for those who d like to find more meaning in their jobs the stirring of soul in the workplace offers ways to balance a personal spiritual path with job realities and expectations

the grand narrative of christianity that the bible created is dead and the bible is silent does the bible have anything relevant to say to our modern circumstances we ask where did god come from what happened to god god s autopsy reinterprets soul and god as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia this book offers a new way to understand the trajectory of western civilization by making the implicit foundation of western consciousness soul visible and conscious our modern western consciousness is radically different from that of antiquity when

the bible emerged jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself beginning with preliterate polytheism the emergence of the transcendent god yahweh and christ which led directly to the enlightenment objective soul continues to unfold itself how did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us the answer is unexpectedly and shockingly in the bible itself

moments of soul is a philosophical inquiry into four distinctive powers of humanity free choice personal identity honor and faith the theme through all four powers is the paradox of soul as the power of attraction between persons not the hidden attribute of an individual while the inquiry aims to develop our powers of mutual attraction it exposes some common mistakes of our times such as reducing mind to brain function mixing personal identity with ethnic pride and confusing faith with religious belief the method is to avoid making images or analogies in order to state clear problems and find their solutions
