dealing with different aspects of movement sports and physical activity this text examines the effects such activities has on our culture and the benefits of participation

higher education open for business addresses a problem in higher learning which is newly recognized in the academic spotlight the overcommercialization of higher education the book asks that you the reader think about the following did you go to a coke or pepsi school do your children attend a nike or adidas school is the college in your town a dell or gateway campus these questions should not be a primary concern for students parents or faculty in an environment that has to allow students to freely focus on learning but in a time of fiscal uncertainty can higher education ignore the benefits of commercial ventures it may seem foolish to do so however commercialism has gotten too close to certain aspects of academia such as the campus environment classroom activities academic

research and college sports this disturbing encroachment of academic ground is addressed in higher education open for business by a diverse host of authors who are closely involved in higher learning

designed primarily as a textbook for upper division undergraduate courses in gender and sport gender issues sport sociology cultural sport studies and women s studies gender relations in sport provides a comprehensive examination of the intersecting themes and concepts surrounding the study of gender and sport the 16 contributors leading scholars from sport studies present key issues current research perspectives and theoretical developments within nine sub areas of gender and sport gender and sport participation theories of gender and sport gender and sport media sexual identity and sport intersections of race ethnicity and gender in sport framing title ix policy using conceptual metaphors studying the athletic body sexual harassment and abuse in sport historical developments and current issues from a european perspective the intersecting themes and concepts across chapters are also accentuated such a publication provides access to the study of gender relations in sport to students across a variety of disciplines emily a roper ph d is an associate professor in the department of health and kinesiology at sam houston state university her research focuses on gender sexuality and sport

this is an introduction to the wide ranging world of sport communication integral to the successful management marketing and operation of sport organisations at all levels the text outlines the full breadth of the communication industry including the many professional careers available to students and practitioners

james k polk was one of the strongest and most active presidents ever to occupy the office in the nineteenth century only jefferson jackson and lincoln matched his overall leadership and domination of national government bergeron s crisp insightful narrative shows how and why polk achieved such stature and yet failed to attract the kind of popular support or retrospective recognition granted other presidential luminaries a native of north carolina polk prepared for the presidency by honing his leadership skills as a seven term congressman speaker of the house and governor of tennessee bergeron s summary and analysis of those years shed light on the foundations of the presidency that followed he provides fresh new perspectives on polk s relationship with his cabinet his skirmishes with congress over domestic economic legislation and the curse of presidential patronage but perhaps the most fascinating portions of this study are devoted to polk s role as the western expansionist by the end of his term the united states had acquired enormous territories in the southwest and far west bergeron demonstrates that polk adroitly used both war and diplomacy to acquire and protect these lands when the annexation of texas led to the outbreak of war with mexico polk was forced to become commander in chief of the american forces in contrast the potentially explosive dispute with great britain over oregon s borders was settled through purely diplomatic means norman a graebner in america s top ten presidents declares polk s achievements in diplomacy were among the most remarkable in american history drawing upon a careful review of the extensive literature on our eleventh president as well as polk s personal diary bergeron has written a significant and balanced reassessment of the polk presidency in the process he has also created a revealing portrait of a complex man who led the nation with imperial determination tempered with compassion generosity and even humor
