guide for legal practitioners and students practical questions regarding the interpretation legislation in australia today this is the fourth edition which updates the third last published in 1988 the law is stated as of 1 september 1995 includes a table of contents table of cases table of statutes and an index professor pearce is recognised as australia s leading authority on statutory interpretation and has experience as an academic a commonwealth ombudsman and a consultant in private practice

legislation is now the primary source of law in australia nearly all legal transactions require attention to be given to acts and other legislative instruments an understanding of how legislation is to be interpreted is thus an essential part of every lawyer s skill set for 50 years courts tribunals and legal practitioners have relied upon this text as their guide to the intricacies of statutory interpretation in his foreword to this 10th edition of statutory interpretation in australia chief justice stephen gageler ac of the high court of australia has said for the whole of my professional life judges and practitioners have turned to statutory interpretation in australia as a standard work of reference a copy of the ninth edition sits on my shelf so will a copy of this historic edition the separation of powers within our system of parliamentary democracy produces an inexorable relationship between the legislative and judicial branches of government the legislative branch makes the law the judicial branch declares and enforces the law as so made the legislative branch speaks with constitutional authority the judicial branch interprets with constitutional authority the interpretation is through the application of consistent principles which can be taken to be known to the speaker through its clear and systematic identification and statement of those principles for half a century statutory interpretation in australia has contributed to the stability of that relationship

this book describes the constitutions of six major federations and how they have been interpreted by their highest courts compares the interpretive methods and underlying principles that have guided the courts and explores the reasons for major differences between these methods and principles among the interpretive methods discussed are textualism purposivism structuralism and originalism each of the six federations is the subject of a separate chapter written by a leading authority in the field jeffrey goldsworthy australia peter hogg canada donald kommers germany s p sathe india heinz klug south africa and mark tushnet united states each chapter describes not only the interpretive methodology currently used by the courts but the evolution of that methodology since the constitution was first enacted the book also includes a concluding chapter which compares these methodologies and attempts to explain variations by reference to different social historical institutional and political circumstances

legislation is now the primary source of law in australia nearly all legal transactions require attention to be given to acts and other legislative instruments an understanding of how legislation is to be interpreted is thus an essential part of every lawyer s skill set for 50 years courts tribunals and legal practitioners have relied upon this text as their guide to the intricacies of statutory interpretation in his foreword to this 10th edition of statutory interpretation in australia chief justice stephen gageler ac of the high court of australia has said for the whole of my professional life judges and practitioners have turned to statutory interpretation in australia as a standard work of reference a copy of the ninth edition sits on my shelf so will a copy of this historic edition the separation of powers within our system of parliamentary democracy produces an inexorable relationship between the legislative and judicial branches of government the legislative branch makes the law the judicial branch declares and enforces the law as so made the legislative branch speaks with constitutional authority the judicial branch interprets with constitutional authority the interpretation is through the application of consistent principles which can be taken to be known to the speaker through its clear and systematic identification and statement of those principles for half a century statutory interpretation in australia has contributed to the stability of that relationship related titles pearce interpretation acts in australia 2nd ed pearce argument delegated legislation in australia 6th ed

provides a comprehensive account of the australian law of interpretation it covers interpretation in public law private law and international law as well as the interpretation of case law

this book makes the legal and political case for indigenous constitutional recognition through a constitutionally guaranteed first nations voice as advocated by the historic uluru statement from the heart it argues that a constitutional amendment to empower indigenous peoples with a fairer say in laws and policies made about them and their rights is both constitutionally congruent and politically achievable a first nations voice is deeply in keeping with the culture design and philosophy of australia s federal constitution as well as the long history of indigenous advocacy for greater empowerment and self determination in their affairs morris explores the historical political theoretical and international contexts underpinning the contemporary debate before delving into the constitutional detail to craft a compelling case for change

the asia pacific region s enormous diversity of living cultures and preserved heritage sites has significant appeal to many tourists however tourism has grown so rapidly that many issues associated with the incorporation of cultural and heritage experiences in tourist itineraries

such as authenticity verses commodification exploitation of national cultures impacts on local communities and the management of heritage resources have not been adequately addressed and must be debated this revealing book reviews recent developments in cultural and heritage tourism in the asia pacific region and provides a discussion on how communities have faced and overcome significant challenges to develop and market their culture and heritage resources a range of models and case studies are used to deepen the reader s understanding of heritage and cultural issues to illustrate many of the more controversial issues and to examine new evaluative and planning tools this book is a special issue of the asia pacific journal of tourism research

culture and power are among the most passionately argued concepts and ideas in the field of social sciences in this book the relation between culture and power is examined through the concept of symbolic power the essays in this multifaceted book examine the past and present forms of symbolic power in different geographical contexts institutions and fields of social action the book is organized into four major parts the first part symbolic mis representations of reality focuses on the concept of symbolic power classification as a strategy of symbolic manipulation the authority of first person narration and the emergence of the precariat in metropolises the second part transforming state education and childhood deals with the profound changes in the european welfare state and its relation to childhood and educational systems the third part cultures and agency in changing contexts sheds light on the minority language issues in europe the position of young female immigrants in israeli religious schools the prevailing chinese culture that prefers sons to daughters the finnish fashion industry in a global squeeze and australian sense of dwelling place and habitus the final part emerging identities of intellectuals in globalizing world examines the nature and characteristics of intellectuals in india the meeting of the occident and the orient in tangier at the beginning of the 20th century and the potential significance of the highly educated diaspora for socio economic development the writers are internationally renowned social scientists from three continents editors jarmo houtsonen and ari antikainen work at the department of sociology at the university of joensuu in finland this book is dedicated to professor m hammed sabour

ecotourism outlines the phenomenon of ecotourism its sources and its development as a concept conservation issues are now at the forefront of public opinion nature is calling us to its wilds and we are responding in droves the decline of natural rainforests loss of endangered species global warming and land degradation have galvanised public support for conservation the interest in ecotourism and nature orientated tourism has coincided with this worldwide concern using relevant case studies ecotourism examines the potential positive social and environmental benefits of ecotourism and is ideal for both students of tourism and practitioners within the tourism industry

ecotourism will also be of interest to environmental groups land managers academics and planners indeed anyone interested in examining what ecotourism is and how it may hold the potential to solve or at least mitigate several of the great problems of our age an example being arguably the greatest of these dilemmas to satisfy human needs for employment income and economic development while at the same time protecting the environment stephen wearing and john neil are both lecturers at the school of tourism studies university of technology sydney australia

the interpretation of contracts in australia provides practitioners with essential guidance on the construction and interpretation of contracts including in difficult matters of disputed interpretation this adaptation of the widely acclaimed english title the interpretation of contracts by sir kim lewison has been long awaited former chief justice spigelman of the supreme court of nsw writes in the foreword to this work now barrister david hughes and sir kim lewison have thoroughly revised the english text to reflect australian law while retaining the structure and principles of interpretation of the first nine chapters of the english edition these principles of construction and interpretation are discussed in chapters which proceed through the key rules governing each of them extracts and summaries of decisions are provided to illustrate the application of those rules the text s insights will inform the process of drafting or revising a contract by identifying key principles and discussing them comprehensively yet concisely with reference to case law by enabling lawyers to construct arguments rooted in the case law this new australian work will help lawyers better challenge contracts and explain their inadequacies

this book is a thorough and accessible work that explores the decisions of the high court on express and implied constitutional rights as well as underlying themes of constitutional interpretation
