in 1963 he began work as a civil engineer working on the california state water project and he went on to develop large energy projects throughout the worldcapping his career working with bechtel on the big dig in boston energy reality reveals how energy politics and power are intertwined highlights include power struggles between united states of america and russia the soviet union to be the worlds largest producer of petroleum which began after the rothschilds took a shortcut through the suez canal secretly opening the asian market to kerosene john watson foster his son in law robert lansing and uncle berts two nephews john foster and allen dulles who made certain that sullivan cromwell clients retained control of middle east oil and germany and japan and how they were excluded from sharing oil wealth from the middle east the author also examines five postwar oil crises including the taking of american hostages in iran by the khomeini regime in 1979 and how vladimir putin is seeking to turn russia into a powerful petro state

dan w clanton jr examines the presence and use of religion and bible in agatha christie s hercule poirot novels and stories and their later interpretations clanton begins by situating christie in her literary historical and religious contexts by discussing golden age crime fiction and christianity in england in the late 19th early 20th centuries he then explores the ways in which bible is used in christie s poirot novels as well as how christie constructs a religious identity for her little belgian sleuth clanton concludes by asking how non majority religious cultures are treated in the poirot canon including a heterodox christian movement spiritualism judaism and islam throughout clanton acknowledges that many people do not encounter poirot in his original literary contexts that is far more people have been exposed to poirot via mediated renderings and interpretations of the stories and novels in various other genres including radio films and tv as such the book engages the reception of the stories in these various genres since the process of adapting the original narrative plots involves at times meaningful changes capitalizing on the immense and enduring popularity of poirot across multiple genres and the absence of research on the role of religion and bible in those stories this book is a necessary contribution to the field of christie studies and will be welcomed by her fans as well as scholars of religion popular culture literature

and media

but when it is the lord who has something against the church it is not a laughing matter its time to tremble however as long as the love is more important than the disappointment you can work out just about any problem between you it is only when disappointment seems more important than love that relationship problems become toxic

disruptive leadership is a topic generating intense interest companies all over the world are trying to upend their industry through innovative products and services becoming a disruptive organization however is easier said than done even more difficult is being a company that continually disrupts is it possible to discern a code for how companies can achieve this in this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model by turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact nine keys are identified along this path for how companies can realize organizational excellence while care may seem like a soft concept in the rough and tumble world of business it is argued how it is actually an inspired manner for providing direction structure and know how that leads to powerful outcomes apple is profiled as a leading example of leveraging what is termed the technology of caring deeply other companies such as nike ikea zappos starbucks are also profiled finally a leadership canvas is provided to help activate the lessons shared in the book

often touted as the moment that made canada a nation the battle of vimy ridge has attained almost legendary status in the canon of our history this collection of essays explores and analyses the specific battle itself as well as some of the historical meaning surrounding the events karen hann in e a dominion comes of age the battle of vimy ridge e presents a basic look at the battle itself hann introduces the main players discusses troop movements and explains some of the historical and political significances of the various elements of the battle in the second essay e e how did the canadian corps achieve the magnificent victory at vimy ridge

when other allied armies failed e returning lammi publishing author bill leavey offers a deeper analysis of the battle plans and movements leavey brings his military background to fore as he teaches us why and how canada achieved such a remarkable victory when so many others had failed our final essay e vimy ridge sons and brothers e written by newcomer keith elliott provides us with a more personal look at this seminal battle and what it means elliott weaves the narrative of his own journey to the memorial with the story of a great great uncle he never knew who fought at the infamous ridge together these works should allow newcomers to gain a good picture of that which we celebrate this april as well as offer new insights to experienced scholars looking to further their knowledge of the battle of vimy ridge

prov 18 17 he who tells his story first makes people think he is right until the other comes to test him for almost seventy years now we ve been taught american history primarily from a secularist s viewpoint with seemingly convincing arguments for a godless america and constitution that it sounds right yet christian americans have heard enough and we re now stepping up to cross examine their claims with books like this one what were the religious beliefs of most of our nation s founders was america founded as a christian nation and what does this mean where did the concept of religious freedom originate and how did it evolve into what it is today if we started out as a christian republic then what went wrong how can we restore our founders original intent to america this book highlights the christian influences in america s exploration colonization national formation and progression once you ve heard this other side of the story you must make up your own mind and then act on it
