E. Lisney

this book is the first work dedicated to the bees algorithm following a gentle introduction to the main ideas underpinning the algorithm the book presents recent results and developments relating to the algorithm and its application to optimisation problems in production and manufacturing with the advent of the fourth industrial revolution production and manufacturing processes and systems have become more complex to obtain the best performance from them requires efficient and effective optimisation techniques that do not depend on the availability of process or system models such models are usually either not obtainable or mathematically intractable due to the high degrees of nonlinearities and uncertainties in the processes and systems

to be represented the bees algorithm is a powerful swarm based intelligent optimisation metaheuristic inspired by the foraging behaviour of honeybees the algorithm is conceptually elegant and extremely easy to apply all it needs to solve an optimisation problem is a means to evaluate the quality of potential solutions this book demonstrates the simplicity effectiveness and versatility of the algorithm and encourages its further adoption by engineers and researchers across the world to realise smart and sustainable manufacturing and production in the age of industry 4 0 and beyond

includes summarized reports of many bee keeper associations

the definitive biography now updated to include the death of robin gibb in may 2012 the bee gee s journey from fifties child act to musical institution is one of pop s most turbulent legends barry maurice and robin gibb somehow managed to survive changing musical fashions and bitter personal feuds to create musical partnership that has already lasted four times as long as the beatles described by the authors as their objective tribute this unflinching biography chronicles everything the good the bad and the bushed up youthful delinquency disastrous marriages bitter lawsuits gay sex scandals serious drug problems and the death of younger brother andy have sometimes made the personal lives of the brothers gibb look as bleak as the low spots of a career that once reduced them to playing the batley variety club yet every time the bee gees roller coaster seemed derailed for good they recorded and went on to even greater triumphs today they are revered among pop music s all time great performers producers and songwriters but the true story of their success and the high price they paid for it has never been fully revealed until now this new edition of the ultimate biography incorporates a complete listing of every song written or recorded by the gibbs
