not just about the rise of the factories or the emergence of the modern city this fascinating history conveys how it felt to work the assembly line and walk the bustling urban streets daily life in the industrial united states 1870 1900 is a narrative based social history that is ideal for college and high school students researching this era thematically organized chapters devoted to economic life domestic life recreational life and other themes are broad in scope but include primary documents and telling details that give readers a visceral sense of the lives of people who lived during the era of industrialization primary documents range from first person diaries of individuals who lived during the era to letters from freed slaves looking to reunite with relatives sold away from them to speeches and essays by activists including frederick douglass and jane addams they reveal how people understood the goals of education the legal position of african americans in the south and marriage among many other daily phenomena readers will become privy to a range of personal experiences while comprehending the importance of the economic and social developments of the period a chronology a glossary a selection of illustrations and further reading sources complete the work

the voices of americans have long been absent from studies of modern egypt most scholars assume that americans were either not in egypt in significant numbers during the nineteenth century or had little of importance to say this volume shows that neither was the case by introducing and relating the experiences and attitudes of 15 american personalities who worked lived or traveled in egypt from the 1770s to the commencement of world war i often in their own words explorers consuls tourists soldiers missionaries artists scientists and scholars offer a rare american perspective on everyday egyptian life and provide a new perspective on many historically significant events the stories of these individuals and their sojourns not only recount the culture and history of egypt but also convey the domination of the country by european powers and the support for egypt by a young american nation

every four years and on the death of presidents individuals take the oath of office prescribed in

the us constitution formal inaugurations are accompanied by pomp that originated in ancient coronation ceremonies in a celebration that thousands of people attend in person and millions follow through electronic media after describing what such occasions from the inauguration of president george washington through to that of joe biden have in common and how they have changed this book provides a chronologically arranged summary of each such inaugural ceremony and accompanying events as well as an analysis of each speech although many are largely forgotten several such orations including those by presidents george washington thomas jefferson abraham lincoln franklin d roosevelt john f kennedy and ronald reagan are rhetorical masterpieces all addresses provide snapshots of american ideals that will interest citizens historians and political scientists and be of service to reference librarians

society is broken we can design our way to a better one in our interconnected world self interest and social interest are rapidly becoming indistinguishable if current negative trajectories remain including growing climate destabilization biodiversity loss and economic inequality an impending future of ecological collapse and societal destabilization will make personal success virtually meaningless yet our broken social system incentivizes behavior that will only make our problems worse if true human rights progress is to be achieved today it is time we dig deeper rethinking the very foundation of our social system in this engaging important work peter joseph founder of the world s largest grassroots social movement the zeitgeist movement draws from economics history philosophy and modern public health research to present a bold case for rethinking activism in the 21st century arguing against the long standing narrative of universal scarcity and other pervasive myths that defend the current state of affairs the new human rights movement illuminates the structural causes of poverty social oppression and the ongoing degradation of public health and ultimately presents the case for an updated economic approach joseph explores the potential of this grand shift and how we can design our way to a world where the human family has become truly sustainable the new human rights movement reveals the critical importance of a unified activism working to overcome the inherent injustice of our system this book warns against what is in store if we continue to ignore the flaws of our socioeconomic

approach while also revealing the bright and expansive future possible if we succeed will you join the movement

an englishman tries to experience the immigration process the way the poor of russia and europe do traveling from nyc to chicago often on foot

this book explores how catholics should speak about sin and grace in a world where structural injustice holds sway causing violence and harm bray brings diverse voices into creative dialogue to explore why unjust social situations can properly be called sin from a catholic theological perspective and how this sin can be understood to impact one's agency freedom and historical condition vis à vis god discussing disparate thinkers such as john paul ii judith butler thomas aquinas and key latin american liberation theologians bray deepens and constructively develops the catholic understanding of social sin she argues that the language of social sin presents us with an idea more theologically profound than just the identification of structural injustice it depicts the power of collective human sinfulness to shape our lives and environments in ways which harm our relations with god one another and the rest of the created world

long established as the bible for long distance cruisers and a bestseller for more than 25 years world cruising routes is the indispensable planning guide to nearly 1 000 sailing routes covering all the oceans of the world from the tropical south seas to the high latitudes of the arctic and antarctic geared specifically to the needs of cruising sailors it contains information on the winds currents regional and seasonal weather as well as suggestions about optimum times for individual routes this new fully revised and updated 8th edition assesses how changes around the world have affected cruising routes and how climatic change has altered the cruising landscape and necessitated adaptations in timing and route planning it provides over 6 000 waypoints to assist skippers in planning individual routes it is the perfect one stop reference for planning a cruise anywhere in the world the most important book for long distance voyagers to come along in decades cruising world

vols for 1981 include four special directory issues

a dynamic collective biography that presents 44 of america's greatest black movers and shakers from frederick douglass to aretha franklin to barack obama written by espn's theundefeated and illustrated with dazzling portraits by rob ball from visionaries to entrepreneurs athletes to activists the fierce 44 are beacons of brilliance perseverance and excellence each short biography is accompanied by a compelling portrait by robert ball whose bright graphic art pops off the page bringing household names like serena williams and harriet tubman together with lesser known but highly deserving figures such as robert abbott and dr charles drew this collection is a celebration of all that african americans have achieved despite everything they have had to overcome meet forty four of america's most impressive heroes in this collective biography of african american figures authored by the team at espn's theundefeated

jimmy cornell is the undisputed authority on long distance voyaging in the new edition of this book he and his son ivan help the would be voyager plan their trip step by step aimed at those seriously contemplating an extended cruise and those dreaming about the possibility this book will give an idea of what is involved in developing the right strategy amongst many important aspects jimmy and ivan consider world weather systems strategies for sailing long or short circuits in the atlantic pacific and indian oceans the pros and cons of different routes at different times of year taking into account weather currents wind directions and strengths likelihood of fog icebergs gales etc the pros and cons attractions and dangers of different routes such as the problem of piracy practicalities repair facilities common gear breakage on extended voyages places to leave the boat to fly home if necessary health considerations provisioning for a long trip personal safety measures and much more jimmy's top ten list of common things that ruin a voyage written from a completely international point of view world voyage planner can help sailors from any country going to any other country to achieve a safe and enjoyable cruise

finalist for the pen diamonstein spielvogel award for the art of the essay in this engaging follow up to how to make a slave and other essays the recipient of pen new england award for nonfiction and finalist for the national book award sharply examines and explains black life and culture with equal parts candor and humor in magically black and other essays jerald walker

elegantly blends personal revelation and cultural critique to create a bracing and often humorous examination of black american life he thoughtfully addresses the inherent complexities of topics as eclectic as incarceration home renovations gentrification the crip walk pimping and the rise of the maga movement approaching them through various black perspectives including husband father teacher and writer the collection s overarching theme is captured in the titular essay which examines the culture of heroic action african americans created in response to their enslavement and oppression giving proof to albert murray s observation that the fire in the forging process for all its violence does not destroy the metal that becomes the sword

article abstracts and citations of reviews and dissertations covering the united states and canada

many americans feel that the economy is no longer working for them and that the american dream has become a sham this book explains the underlying reasons for this gloomy outlook and lays out a clear plan for making the american economy work for everyone not just the top 1 percent the heart of the problem says economist steve slavin is gross inefficiency since the end of world war ii america has been wasting vast amounts of its resources as examples he cites the following key sectors healthcare we spend nearly twice as much as other industrialized nations but achieve no better results education just half of our eighteen year olds can function at an eighth grade level while many european and asian countries do far better educating their young people transportation by relying on cars instead of mass transit we spend much more than comparable nations the military several decades after the cold war our military budget continues to be almost 40 percent of the world s total military spending while few politicians ever question the necessity for such massive outlays in these areas and other sectors of the economy slavin proposes sweeping changes to eliminate inefficiency these would include a restructuring of our healthcare system to make it affordable for all a major push toward public transportation increased emphasis on quality results from our education system ways to eliminate waste throughout our vast military industrial complex and a renewed emphasis on manufacturing refreshingly clear and readable the great american economy will appeal to readers who want to learn what went wrong with our economy and how to fix it

inspired by tradition freed by creativity this is barbecue american style go beyond the traditional and get a taste of the new authentic american barbecue weber s american barbecue is an exciting hands on exploration of how barbecue is evolving fresh modern and totally original this book tours some of the most interesting trends in barbecue today featuring places of interest local experts over 120 recipes and the history behind them you ll feel like you re taking a road trip across america over 120 innovative new recipes from starters and main dishes to sides and sauces step by step instruction on the latest techniques with hundreds of photos to show you how to get the most from your barbecue the stories behind the trends the recipes and their creators this definitive cookbook shares what s happening in american barbecue and brings contemporary extraordinary barbecue within everyone s reach

thought if i asked you d take her and so she s all yours with those words souichiro kudou s life was changed forever suddenly he has a four year old daughter named kiki thanks to his late friend haruki and it only gets more complicated when he proposes to a total stranger husband lover father and friend only time will tell whether kudou can reconcile his past with haruki and learn to fill these roles for the new people in his life luckily for him kiki and his new spouse fusako are ready and willing to figure it out alongside him

you made up the definitions why are you letting them define you they met they married and now it s time to live happily ever after but what exactly does happiness entail plagued with doubts about their marriage kudou and fusako struggle to figure out what they re supposed to be to each other after all it s not like they agreed to get into a romantic relationship but kudou desperately wants the best for kiki and what s best for her is of course a picture perfect family consisting of father mother and daughter isn t it
