a wonderful anthology of wedding poems filled with surprising
curious unorthodox and charming poems about love and the public
commitment to love for the many thousands of readers who have been
delighted by laura barber s earlier anthologies this wonderful new
book is filled with surprising curious unorthodox and charming
poems about love and the public commitment to love it is a book to
be referred to constantly and like penguin s poems for love it
belongs on the short shelf of truly essential anthologies for the
many thousands of readers who each year go through the complex mix
of thrill and trauma that is the planning of a marriage ceremony
laura barber s anthology is the answer to a prayer with a
wonderfully generous and unusual selection of poems suitable for
reading out loud and which celebrate and encapsulate in all our
bewildering diversity how we wish to express our deepest feelings

until recently a wedding was no place for reinvention everything from the location to the outfits to the language of the ceremony was decided by our particular cultures religions and social expectations of gender and domestic roles and of course many of us were unable to get married at all now gay marriage is legal in britain heterosexual couples can have civil partnerships we can get hitched in a yurt or a cave or on a rollercoaster but the old traditions die hard and despite these apparent new freedoms the word wedding still retains so many connotations controlling our imaginations in ways that can feel alienating or limiting when it comes to the wedding poem even a star trek themed do with guests in bumpy skull caps can still translate the same old shakespeare sonnet into klingon this anthology aims to shake that up featuring poems you won t find on any lists in your frantic google search alternative poems for alternative weddings be they small huge camp as christmas hilarious glamorous shot gun a third wedding held in a nursing home or the low key but profound culmination of a forty year love if you re looking for a non cringey wedding poem or want to be reminded of the multiplicity of love this is the book for you

poems can teach us in ways that surpass other forms of understanding especially when the subject concerns matters of the heart when the heart s whispers are too faint for us to hear in ordinary ways poetry can speak to us with another kind of eloquence from the leap of joy that a couple takes on their wedding day to a fiftieth wedding anniversary that acknowledges the deep connection that a life together can bring marriage takes us on a journey that passes through seasons and stages peaks and valleys this book honors that journey through twenty poems that celebrate and illuminate some of these major stages and provides not only inspiration for the journey but also solace and wisdom roger housden the author of ten poems to change your life provides essential insights into the poems creating a collection of reflective prose and poetry that makes this an inspirational guidebook as much as a volume of poetry in twenty poems to bless your marriage roger housden offers poems and essays that will give voice to your heart offering up words and wisdom not just for special occasions but to act as friends and guides to refer to throughout the life of a marriage
