a man born to an elite family coacoochee used the power of his status in creative ways and miller uses his career to explain his leadership in terms of seminole knowledge and governmental structure showing that coacoochee s concept of leadership was linked as closely to spiritual as to political or military imperatives her account offers a more nuanced understanding of the seminole cosmos particularly the reality governing coacoochee s awareness of his own tribe s circumstances and of long standing borderlands disputes she draws on seminole american and mexican sources to help untangle the histories of various emigrant tribes to the borderlands she also examines the status of seminoles today in light of the suppression of coacoochee s story including modern seminole s attempts to recover their lost homeland at el nacimiento book jacket

haygood s our brothers in black is a work that concentrates on how best to prepare the freed slaves for full participation in the american community noting african american community life their relationship to the land and to their religion he advocates education missionary work and the establishment of black colleges the book begins by discussing blacks educational and economic shortcomings but discredits the popular idea that they should be returned to africa haygood gives a detailed study of lincoln and the motives for the emancipation but is focused on

solving the present problem rather than condemning its existence

with the constitution and by laws and a list of the officers issues for 1880 also include appendices
